Re: KTIS (AM), Minneapolis, Minnesota

Northwestern College  
Special Temporary Authority

Dear Counsel:

This is in reference to the request filed September 24, 2008, on behalf of Northwestern College ("NWC"), for extension of the special temporary authority (STA) granted on March 25, 2008, to operate Station KTIS with temporary facilities, pursuant to 47 CFR § 73.1615.<sup>1</sup> In particular, authority is requested for daytime-only, nondirectional operation with power of 6.25 kW. In support of the STA request, NWC states that it has completed construction of modified facilities authorized by Construction Permit BMP-20070227ABR and that the next step will be conducting proof of performance measurements and the filing of a license application.

Our review indicates that License BL-20081008ANA was granted on March 24, 2009. Thus, STA is no longer necessary.

Accordingly, the request for STA IS HEREBY DISMISSED.

Sincerely,

Charles N. Miller, Engineer
