

Engineering Statement

Now comes the undersigned, Richard Russell Vaughan, and states the following:

1. I am certified by the Society of Broadcast Engineers as a Certified Professional Broadcast Engineer.
2. I have been engaged as an engineer for over 35 years and am fully qualified to oversee the installation of any type of broadcast antenna system.
3. I supervised the installation of the new directional antenna to cover amendment to License of station KUTM and can verify the installation was as outline in the original Construction Permit.

Dated – January 17, 2017

Respectively,

/ss/ Richard Russell Vaughan
