Dear Staff:

It has come to the attention of Calvary Chapel of Twin Falls, Inc. that there was an error on the 10 day notice sent to the Commission dated 10/4/2012. The KKJA Redmond transmitter had been operating at low power from September 24, 2012 and not 7/24/2012 as listed on the original notice(attached).

Calvary Chapel of Twin Falls, Inc. respectfully requests that this erroneous date be modified to show 9/24/2012. One of the four power amplifier modules failed in the transmitter and a part has been ordered. If normal operations have not resumed as of 10/23/2012 a formal STA request will be electronically filed. Thank you for your attention to this matter.

Sincerely,

Lois Mills  
Applications Technician  
Calvary Chapel of Twin Falls, Inc.
