Proposed CH269FT
Reno, NV

REQUEST FOR WAIVER

Eastern Sierra Broadcasting, applicant for an FM translator to be licensed to Reno, NV and to operate on Channel 269 requests a waiver of contour overlap with KRNV-FM (CH271), Reno, NV and KRNG (CH267), Fallon, NV in that the proposed CH269FT 100 dBu contour is in an unpopulated area. Figure 2 is a portion of the Reno, NV USGS topographic map that clearly demonstrates this fact.
