

Statement Re: Compliance with the Commission's Multiple Ownership Rule

WLXX-AM License Corporation, the licensee of Station WRTO(AM), Chicago, Illinois, is a subsidiary of Univision Radio, Inc. ("URI"). URI, through various subsidiaries, also currently operates the following other radio stations in the Chicago, Illinois Arbitron market¹:

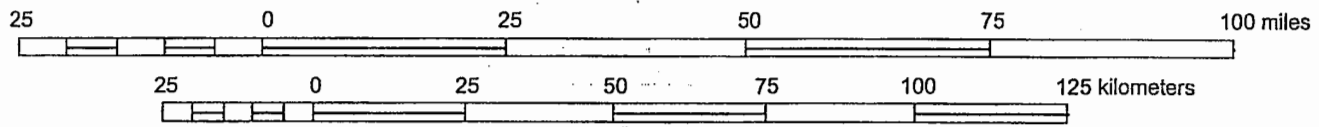

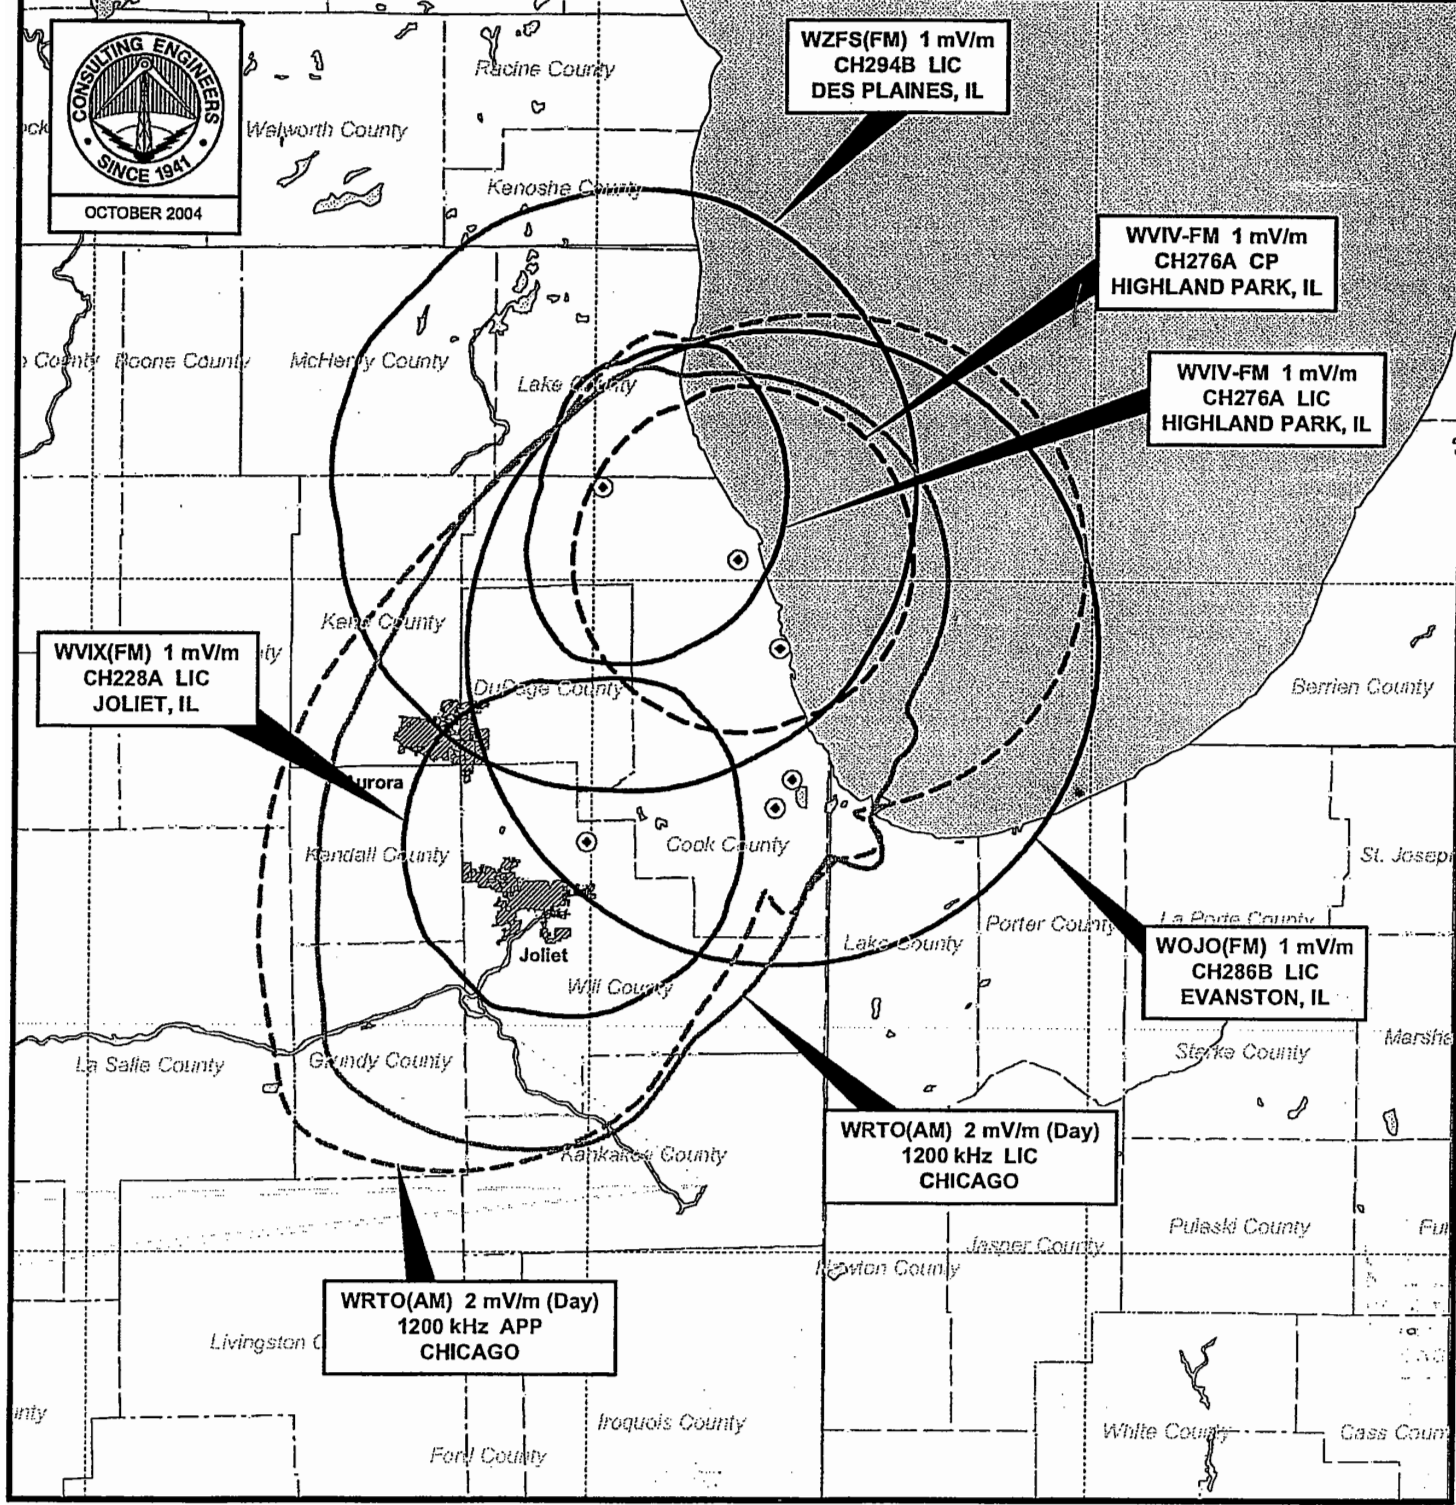

1. Station WIND(AM), Chicago, Illinois
2. Station WOJO(FM), Evanston, Illinois
3. Station WVIV-FM, Highland Park, Illinois
4. Station WVIX(FM), Joliet, Illinois

In addition, URI has an attributable interest in Station WZFS(FM), Des Plaines, Illinois as the result of a Local Marketing and Programming Agreement, pursuant to which a subsidiary of URI will provide programming to Station WZFS(FM). See Exhibit 4.

The Commission's current local radio multiple ownership rules allows an entity to own and operate as many as eight radio stations (with not more than five stations in either the AM or the FM service) in Arbitron markets which contain at least 45 radio stations. The Arbitron market for Chicago, Illinois, contains at least 45 radio stations, and therefore URI's attributable interests in the radio stations in the Chicago, Illinois, Arbitron market identified in the preceding paragraph (with Station WRTO(AM) modified in accordance with the proposal in this application), is consistent with the Commission's current local radio multiple ownership rules (47 C.F.R. Section 73.3555(a)).

¹ Subsidiaries of URI have entered into an Asset Exchange Agreement pursuant to which the license to operate Station WIND will be assigned to Salem Media of Illinois, LLC ("Salem"), and the license to operate Station WZFS will be assigned by Salem to a subsidiary of URI (subsequent to Commission approval.)

UCI, through subsidiaries, is the licensee of television stations WGBO-TV, Joliet, Illinois, and WXFT-TV, Aurora, Illinois, in the Chicago market. The change in the principal community contour of Station WRTO(AM) as proposed in the instant application will not result in the new encompassment of the community of license of either television station licensed to UCI subsidiaries in the Chicago market (i.e., Joliet and Aurora, Illinois). Therefore, the Commission's previous approval of UCI's station ownership under the radio-TV cross ownership rule (47 C.F.R. Section 73.355(c)) is unaffected by the instant Station WRTO(AM) modification application.
