RE: Agreement Letter Concerning
KOTV CH 6 Tulsa, OK
KNYD CH 213C Broken Arrow, Oklahoma

To Whom It May Concern:

Griffin Tulsa I License, L.L.C., licensee of KOTV TV Tulsa, Oklahoma herein states that it has no objection to Creative Educational Media Corp. Inc., licensee of KNYD FM, filing an application for modification to construction permit, BPED-20070727ADB, to specify circular polarization.

EW12/19

Under normal circumstances, we would identify the number of people within the KOTV service area that would receive predicted interference (per Section 73.525 of the FCC Rules) as a result of this modification. However, since KOTV has ceased all analog operations, this matter is now moot.
