**To Whom It May Concern at the FCC:**

**I am writing in support of the nonprofit Mountain Area Information Network's request for a waiver to move the transmitter for its LPFM station, WPVM-LP, 103.5 FM, to the following coordinates:**

**N 35 deg 34 min 44.80 sec**

**E 82 deg 38 min 22.53 sec**

**WPVM-LP in Asheville, N.C. is co-channel with South Central Communications' WIMZ-FM in Knoxville, TN. I have reviewed the engineering studies provided by the Mountain Area Information Network, and concur with their conclusion that moving WPVM-LP's transmitter to the above coordinates will do no harm to WIMZ-FM.**

**Please do not hesitate to contact me if I can be of further assistance.**

**Sincerely,**
