

### **Renewal Applications**

During the pendency of this assignment application, it is possible that license renewal applications will be filed for the subject stations located in Washington, D.C., Virginia and Maryland. The parties therefore request that the Commission apply its policy permitting processing of multi-station assignment applications that involve a subset of stations with pending renewal applications where (1) no basic qualifications issues against the assignor and assignee were raised or, if raised, were resolved favorably, and (2) the assignee explicitly assents to standing in the stead of the assignor in any renewal proceeding that is pending at the time of consummation of the assignment. The assignee, Hubbard Radio, LLC (“Assignee”), hereby agrees to succeed to the position of the assignor, Bonneville Holding Company (“Assignor”), with respect to any renewal applications that remain pending at the time the proposed transaction is consummated, and to assume the consequences of standing in the stead of Assignor in such renewal application proceedings, consistent with the procedures set forth in *Stockholders of CBS Inc.*, 11 FCC Rcd 3733, 3749-50 (1995), *aff’d*, *Serafyn v. FCC*, 149 F. 3d 1213 (D.C. Cir. 1998); *see also Capital Cities/ABC, Inc.*, 11 FCC Rcd 5841, 5900-01 (1996); *Shareholders of CBS Corporation*, 16 FCC Rcd 16072, 16072-73, para. 3 (2001).
