Dear Mr. Knott:

As licensee for K34DF, having applied with the Federal Communications Commission for a license to broadcast at low power on channel 33 from South Fork Mountain, Redding, CA, we anticipate channel 33 will not interfere with KRCR-DT, channel 34. If, however, it is proven otherwise, Vibrant Living Broadcast will mitigate interference or cease operations until said interference can be corrected.

Sincerely,

Ernest Dobkins, Secretary/Vice-
President

California Broadcasting Inc., licensee of KRCR-DT 34, has been contacted by Vibrant Living Broadcasting, licensed through Northern Conference Of The Adventist Church and operating on K34DF, is requesting a letter of ascension regarding change of frequency to adjacent channel 33.

We agree channel 33 will not interfere with KRCR-DT channel 34. If however it is proven otherwise, Vibrant Living Broadcasting must mitigate interference or cease operations until said interference can be corrected.

Sincerely,

Jeff B. Knott

At its meeting of September 12, 2002, the Board of Directors of Vibrant Living Broadcasting voted unanimously to affirm that our previously submitted application for channel 45 be dropped and that our application for channel 33 be processed expeditiously. We anticipate KRCR-DT will begin broadcasting on our present channel 34 sometime in October, 2002. We would hope that we will be able to continue broadcasting with little or no interruption.
