RE: FM Radio Facility – WGMY
At Orange County Thomas Bull Memorial Park
FCC Construction Permit No. BMPED-20090218AEF
Facility ID Number 89510
Antenna Structure No. 1237322

Dear Ms. Mizrahi,

Our field surveyors met today with Mr. John Katonah at the above referenced site. Utilizing our GPS equipment we oriented a staked line for Mr. Katonah which was 315° true north. This bearing was then utilized to orient the direction of the antenna to the desired 315°. If you are in need of any other information, please do not hesitate to contact our office.

Sincerely,

Lanc & Tully, P.C.
