Radio Station KDAR ~ 98.3 MHz – FM
701 N. Brand Blvd
Glendale, CA 91203

Attn: Mark Pallock, CE

Mark,

I have verified that the KDAR antenna on the tall Oxnard building does not adversely affect the KUNX ~ 1590 Khz – AM signal or pattern. The KUNX pattern is within licensed parameters.

Thank you for checking,

A handwritten signature in blue ink that reads "Chuck Hastings". The signature is fluid and cursive, with the first name "Chuck" and last name "Hastings" clearly legible.
