

Multiple Ownership

The proposed transaction in this application satisfies the Commission's multiple ownership limits.

As demonstrated in **Exhibit 16: Other Authorizations**, a principal of the proposed Assignee, Delmarva Educational Association, has an attributable interest in other stations.

Delmarva principal Nancy A. Epperson holds an attributable interest in, inter alia, Salem Media Group, Inc. ("Salem"), which owns 100% of Salem Communications Holding Corporation (formerly Caron Broadcasting, Inc.), which owns 100% of the following licensee corporations, except as otherwise noted below. Through her interest in Salem, Ms. Epperson holds an interest in the following three Boston area stations:

<u>Station</u>	<u>Licensee</u>	<u>Facility ID No.</u>
WEZE(AM)	Boston, MA Salem Communications Holding Corporation	3594
WWDJ(AM)	Boston, MA Salem Communications Holding Corporation	25051
WROL(AM)	Boston, MA Salem Media of Massachusetts, LLC	9139

The enclosed BIA report shows the Boston Geographic Market is comprised of 102 full-power radio stations. Section 73.3555(a)(1) of the Commission's Rules permits commonality of ownership interests in up to eight (8) radio stations, of which as many as five (five) commercial stations may be in the same service. As a result of the proposed assignment, Mrs. Epperson will have interest in 4 full-power commercial stations in the Boston market, which is permissible under the Rules. Thus the proposed transaction is in compliance with the Commission's multiple ownership limits.
