WNYN-LP CHANNEL 39

NEW YORK, NY 9/22/03

This application for WNYN-LP channel 39 seeks to displace the currently licensed channel to channel 49 at the same location. This is based on Paragraph 73.3752(a)(4)(iv) of the current FCC rules which permit a channel displacement application if a DTV co-channel is authorized within 265 Km. WCTX-DT channel 39 New Haven, Ct. is only 106.06 Km. from WNYN-LP.

A Longley-Rice analysis shows no interference to any service caused by the proposed facility.
