RE: WVVW-LP

Belpre, Ohio
Channel 251, 98.1 MHZ
Voluntary Relinquishment of License

JUL 25 2017

Federal Communications Commission
Bureau / Office

Dear Mr. Doyle:

Through this letter, Mid-Ohio Valley Educational Assn., licensee of low power FM Station WVVW-LP, Belpre, Ohio, voluntarily relinquishes the license issued by the Commission to Mid-Ohio Valley Educational Assn. for operation of Station WVVW-LP on FM Channel 251, 98.1 MHZ, Belpre, OH, and requests that the license be cancelled on an immediate basis. We lack the necessary resources for continued on-air operations.

We are aware that upon this relinquishment of our WVVW-LP license that Fellowship Baptist Church of Vienna, WV could file an application for a new FM translator in the FCC's FM translator window July 26 through August 2 in order to rebroadcast its Station WHNK (AM)'s programming on 98.1 MHZ in the Parkersburg, WV area.

Accordingly, we request that termination of our license on 98.1 MHZ take effect immediately to enable Fellowship Baptist to file an application for a new FM translator in the window on that frequency and the application processed by the Commission's staff.

Should any questions arise as to this response, please contact us at the address included on this letter, or legal counsel for Fellowship Baptist Church of Vienna, WV listed below.
