In re: Low Power Television Application of:  
Gunnison County Metropolitan  
Recreation District  
Channel 27, Gateview, CO.  
File No.: BDISDTT-20100618AJK  
Facility Id No.: 25641

Dear Applicant:

On November 30, 2010, the licensee as addressed above was sent a 30 day deficiency letter outlining the following issues:

The proposed facility protected contour does not overlap with the protected contour of the licensed facility file number BLTTV-4861. The contours as referenced above must overlap in order for the proposed displacement to be considered as a Minor Change.

In addition, no valid reason is given to justify the filing of a displacement application.

You were given the opportunity to file a minor amendment to resolve the specified protected contour problem and provide a valid reason to justify the filing of a displacement application within (30) days from the date of that letter. Amendments must be filed electronically. If not so amended, your application will be considered incomplete and subsequently dismissed.

Our records show that no amendment has been filed as of January 19, 2011, to resolve the above referenced issues; therefore, the above referenced application is considered incomplete and IS HEREBY DISMISSED.

Sincerely

Hossein Hashemzadeh  
Deputy Chief  
Video Division
