Re: R&M Broadcasting Co.
KJCB (AM), Lafayette, Louisiana
Facility Identification Number: 54341
STA Extension Request
BESTA-20121030AAR

Dear Ms. Chargois:

This is in reference to the request filed October 30, 2012, on behalf of R & M Broadcasting Co. ("R&M"). R&M requests extension of the Special Temporary Authority (STA), File No. BESTA-20120313AEB, granted on May 16, 2012, to operate Station KJCB with temporary facilities.¹ In support of the request, R&M states that it continues to search for a new, permanent site for the station.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for STA IS HEREBY GRANTED. Station KJCB may continue to operate with the following facilities:

Geographic coordinates	30° 16' 07" N, 91° 55' 52" W (NAD 1927)
Frequency	770 KHz

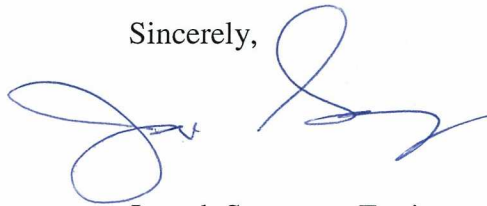

¹ KJCB is licensed for operation on 770 kHz with 1 kilowatt daytime and 0.5 kilowatt nighttime, employing a directional antenna during nighttime hours only (DA-N-U).

Hours of operation	Unlimited
Operating power	Not to exceed 1 kW daytime, 0.125 kW nighttime
Antenna type	Long wire
Antenna efficiency	240 mV/m/km/kW
Overall height	6.1 meters (20 feet)

It will be necessary to further reduce power or cease operation if complaints of interference are received. R&M must notify the Commission when licensed operation is restored.² R&M must use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310.

This authority expires on **November 13, 2013**.

Sincerely,
