Re: WTPL (FM), Pat's Peak Ski Area, Henniker, NH - Directional Antenna Orientation.
For VOX Radio Group, 106 North Main Street, West Lebanon, NH 03766

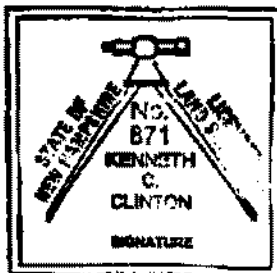

Dear Bob,

On Friday, June 4, 2004, Meridian Land Services, Inc. verified the direction of the WTPL antenna, at the summit of Pat's Peak Ski Area, as positioned along an azimuth of 125 degrees from True North (plus or minus one degree).

Please call should you have any questions.

Very truly yours,
Meridian Land Services, Inc.
