Re: Eternity Records, LLC (ERL)  
WKXG(AM), Greenwood, MS  
Facility Identification Number: 65008  
Special Temporary Authorization (STA)  
BESTA-20190306AAX

Dear Mr. Pugh:

This is in reference to the request filed on March 6, 2019. ERL requests an extension of the STA granted on November 13, 2015, to continue operating with a long wire antenna at the WGRM transmitter site to allow time to file an acceptable FCC Form 301 application to propose a new permanent facility.<sup>1</sup> In support of the request, we noted that the application was not filed yet.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of the STA IS HEREBY GRANTED, and ERL may continue operating with the following facilities:

---

<sup>1</sup> WKXG(AM) is licensed for ND operation on 1540 kHz with 1 kW (day) and 0.002 kW (night).

Geographic coordinates	33° 32' 02~ N, 90° 11' 42~ W (NAD 1927)
Frequency	1540 KHz
Hours of operation	Day and Night
Operating power	Max 0.25 kW day, 0.001 kW night
Antenna type	135 foot horizontal long wire antenna
Overall height	16 feet AGL (4.9 meters)
Antenna Efficiency	Unknown

ERL must reduce power or cease operation if complaints of interference are received, and use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310.

This authority expires on **November 5, 2019**.

Sincerely,

A handwritten signature in blue ink, consisting of a large loop followed by a series of smaller loops and a long horizontal stroke extending to the right.

Joseph Szczesny, Engineer  
Audio Division
