

To whom it may concern:

Dear Sirs,

I, Ted Levin, holder of FCC General Class License # PG-15-9868 have installed and supervised the installation of FM Directional Antenna's since 1975.

As Chief Engineer of WMAG-FM operating on 99.5 mhz, I supervised the installation of the ElectronicsResearch Inc. SHPX-6AC antenna during the month of April 2005, with completion on April 18, 2005. I verify that this antenna has been installed properly, according to the manufacturers specifications.
