Re: Clear Channel Broadcasting Licenses, Inc.  
(CCBL)  
WDIZ(AM), Panama City, FL  
Facility Identification Number: 66666  
Special Temporary Authority (STA)  
BESTA-20200211AAD

Dear Mr. Davis:

This is in reference to the request filed on February 11, 2020. CCBL requests a further extension of the STA granted on March 16, 2018, to continue operating ND with reduced power to allow time to file an FCC Form 301 application (or resume licensed operations) due to severe hurricane damage in 2018.<sup>1</sup> In support of the request, CCBL states that additional time is needed to file the application (or rebuild the licensed facility).

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

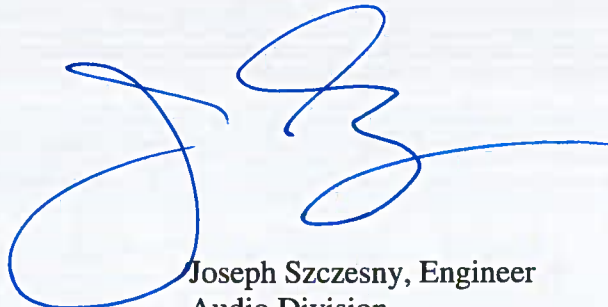

---

<sup>1</sup> WDIZ(AM) is licensed for operation on 590 kHz with 1.7 kW ND (day), and 2.5 kW DA (night).

Accordingly, the request for extension of the STA IS HEREBY GRANTED, and CCBL may continue to operate ND with a maximum of 0.5 kW (day and night) using an emergency antenna (20 meters in height - remaining part of hurricane damaged tower, along with 120 meters of horizontal wire top-loading). CCBL must use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310. CCBL must file the 301 application to modify the licensed facility or file an FCC Form 302 application to update all operating parameters (if the licensed facility is rebuilt).

This authority expires on **September 4, 2020**.

Sincerely,

A handwritten signature in blue ink, consisting of a large, stylized 'J' followed by a series of loops and a long horizontal stroke extending to the right.
