Board of Regents of the University of Wisconsin System

TELEVISION CHANNEL SIX PROTECTION

WUWM is co-located with WITI, a channel 6 television station. Section 73.525(d)(1) states that an FM station on Channel 209 and co-located with a TV Channel 6 station shall not exceed 17.8 kW. WUWM is proposing to operate with 13.6 kW.

Section 73.525(d)(2) also requires that the applicant certify that it has coordinated its antenna with the affected TV station. Board of Regents of the University of Wisconsin System does so certify.
