

RADIO MARKET ANALYSIS
KJUL LICENSE, LLC
KFRH RADIO STATION
BOULDER CITY, NEVADA
KKLZ RADIO STATION
LAS VEGAS, NEVADA
June 2008

TECHNICAL STATEMENT

1. This technical statement and attached exhibits were prepared on behalf of KJUL License, LLC ("KLL"), licensee of stations KFRH, Channel 274C, Boulder City, Nevada and KKLZ, Channel 242C, Las Vegas, Nevada. KLL is submitting a minor change application for each station. KLL also has an attributable interest in the licenses of stations KDWN, 720 kHz, Las Vegas, Nevada; KCYE, Channel 282C, North Las Vegas, Nevada; and KBET, 790 kHz, Winchester, Nevada. As such, a Radio Market Analysis is necessary. All five of these stations are licensed to a metro county in the Las Vegas, Nevada Arbitron Market (Market #33). A review of compliance for a rated market is being undertaken.

ARBITRON/BIA MARKET REVIEW

2. As shown on Exhibit #1, there are forty-seven AM and FM (commercial and non-commercial) stations listed in the Las Vegas, Nevada (Market #33). KLL would be in control of three FM and two AM stations in the same market. The number of stations indicated falls in the forty-five or more stations tier of §73.3555(a)(1)(i) of the Commission's rules. At this level, common ownership or control of up to eight stations, with no more than five in the same service, is permissible. Therefore, the minor change application for FM stations KFRH and KKLZ in the Las Vegas, Nevada market is in compliance with the ownership rules.

3. The foregoing technical statement was prepared on behalf of KJUL License, LLC, by Graham Brock, Inc., its Technical Consultants. All information contained herein is true and accurate to the best of our belief and knowledge. All data relating to AM and FM facilities in the relevant BIA/Arbitron market was determined using the BIA Financial Network, Inc. Media Access Pro, Version 4.2. BIA database. All other data was extracted from the CDBS database. We assume no liability for errors or omissions in either database which may be adverse to the information contained herein.
