

Exhibit 4. Proposed K276GD & Primary KARS-FM

The map displays the proposed 60 dBu contour for K276GD (green line) and the protected 60 dBu contour for KARS-FM (blue line). The KARS-FM contour is significantly larger, covering a vast area of northern and central Colorado. The K276GD contour is much smaller, located in the southwest near Steamboat Springs. Major cities and towns shown include Rawlins, Cheyenne, Fort Collins, and Denver. The map also includes latitude and longitude markers and a legend box in the bottom left corner.

Legend:

- Green Contour is Proposed 60 dBu K276GD
- Blue Contour is KARS-FM's Protected 60 dBu

Blue Contour is KARS-FM's Protected 60 dBu
