### STATEMENT RE CHARACTER ALLEGATIONS

1. The proposed Assignor, Munbilla Broadcasting Properties, Ltd. (*MBPL*), and a sister entity, Munbilla Fort Hood, Ltd. (*MFHL*), are under common control.
2. MBPL was, among other things, the licensee of station KBEY, Channel 223A, Burnet, Texas, FCC Facility ID No. 40764.
3. MFHL was the licensee of radio station KHLE(FM), Channel 295A, Kempner, Texas, FCC Facility ID No. 34948.
4. MFHL had an application pending, FCC File No. BPH-20080625AAV, for a Construction Permit to make minor modifications to the licensed facilities of station KHLE (the *KHLE Application*).
5. On August 13, 2009, MFHL filed a minor amendment to the KHLE Application.
6. On September 3, 2009, BMP Austin License Company, L.P., and Border Media Business Trust (collectively, *Border*), filed an Informal Objection with respect to the KHLE Application, as amended. In the Informal Objection, Border alleged that MFHL's August 13 amendment constitutes a strike filing, an abuse of the Commission's processes, and a material misrepresentation to the Commission.
7. MFHL and MBPL responded to the Informal Objection.
8. The FCC staff did not issue a ruling on Border's allegations.
9. MFHL assigned station KHLE with the Commission's prior consent. See FCC File No. BALH-20100903ACC.
10. MBPL assigned station KBEY with the Commission's prior consent. See FCC File No. BALH-20100903ACD.
