Program Test Authority

Dear Mr. McCloskey:

The staff has under consideration the request for program test authority and the license application filed September 21, 2006 to cover permit BPED-20060627ABF.

Authority IS HEREBY GRANTED to conduct program test operation in accordance with the terms and conditions of construction permit BPED-20060627ABF and the provisions of Section 73.1620 of the Commission's Rules¹ pending further action on your license application. The maximum effective radiated power is 5.0 kilowatts. The transmitter power output is 1.9 kilowatts.

Sincerely,

George H. Gwin
Supervisory Engineer
