Fac Id: 10133

Dear Applicant:

This refers to your attorney's letter dated March 5, 2013 for special temporary authority (STA) to operate at reduced effective radiated power (ERP). You indicate that due to transmitter failure, the station request to operate a temporary facility at the site of WRAY-DT, during such time as it takes to repair the transmitter. You indicate that the city of license is completely contained within the proposed STA facility's 48 dBu contour and no change in site location, antenna make or model or antenna height from that authorized in BLCDT-20060609AAX is proposed herein. You state that reduced power operations will continue to be necessary while the applicant is trying to complete the repairs and restore full power operation.

In light of the above, special temporary authority pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules until September 12, 2013 IS GRANTED.

We wish to point out that an extension of this request must include detailed reasons and a description of efforts being taken to return the station to full power operation.

Sincerely,

A handwritten signature in blue ink, reading "Kevin R. Harding", is written over the typed name.
