

## **MEDIA OWNERSHIP RULE COMPLIANCE**

This application seeks Commission consent to the acquisition by Fox Television Stations, LLC (“FTS”) of the license of television station WITI-DT, Milwaukee, WI. This exhibit demonstrates that the proposed assignment is in compliance with the Commission’s national television ownership rules.<sup>1</sup>

### ***National Television Ownership Rule***

FTS currently has attributable interests in stations that reach 25.0% of the national television audience, as calculated in accordance with Section 73.3555(e) of the Commission’s rules based on TV household data from Nielsen.<sup>2</sup> Concurrently herewith, FTS is filing an application for consent to assign the licenses of its television stations in the Charlotte DMA, WJZY-DT, Belmont, NC, and WMYT-TV, Rock HILL, SC, to a subsidiary of Nexstar Media Group, Inc. Upon the closing of both transactions, FTS will have an attributable interest in television stations reaching 25.7% of the national audience. In the event that the Charlotte transaction did not close, FTS would have an attributable interest in television stations reaching 26.2% of the national audience.

<sup>1</sup> FTS does not presently own any broadcast television stations in the Milwaukee, Wisconsin Nielsen DMA. As a result, the Commission’s local television ownership rules are not implicated by this contemplated transaction. See 47 C.F.R. § 73.3555(b).
