Advancement of Educational Program

Southern Illinois University (“SIU”), proposed assignee of WSEC, Jacksonville, IL, WMEC, Macomb, IL, WQEC, Quincy, IL, and W08DP, Springfield, IL (“the stations”), respectfully submits the following explanation of its educational objective and the manner in which the station will be used for the advancement of an education program that will further that objective, in accordance with Section 73.621 of the FCC’s Rules, 47 C.F.R. § 73.621.

SIU is a public, multi-campus research university with a main campus located in Carbondale, Illinois. Originally established in 1869 as the second teacher’s college in the state of Illinois, the university system now includes SIU Carbondale, SIU Edwardsville, and the SIU School of Medicine. The SIU System embraces a unique tradition of access and opportunity; inclusive excellence; innovation in research, creativity, and healthcare; and outstanding teaching focused on nurturing student success. As an economic catalyst for the central and southern Illinois region, SIU discovers and exchanges knowledge to shape future leaders, improve our communities, and transform lives.

SIU's planned operation of the stations will serve the educational needs of communities in Southern Illinois, as well as advancing SIU's educational objectives and missions. SIU shall furnish a nonprofit and noncommercial television broadcast service over the stations, and plans to broadcast traditional Public Broadcasting Service ("PBS") programming on the stations’ primary streams, including educational children's programming, news and public affairs programming, history and science programming, and cultural programming that explores music, theater, dance, and art, as well as local and SIU-related programming. SIU will work to ensure that the high quality noncommercial educational programs, including children's programs, news, performing arts, and/or public affairs programs, broadcast over the stations will be responsive to issues of concern to viewers in its local community.

For these reasons, SIU respectfully submits and certifies, pursuant to Section 73.621(a) of the FCC's Rules, that the station will be used primarily to serve the educational needs of the community; for the advancement of educational programs; and to furnish a nonprofit and noncommercial television broadcast service.
