Mr. Grady Moates  
Director of Engineering  
WUMG (FM)  
University of Mass. Boston  
100 Morrissey Blvd.  
Boston, MA. 02125-3393

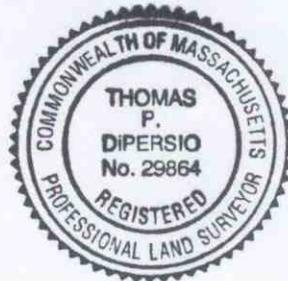

Re: WUMG (FM, Stow, MA) Antenna (located in Maynard, MA.)

Dear Mr. Moates,

Please be informed that on April 21, 2010, under my supervision, this firm provided horizontal control to establish the alignment of the radio antenna at the subject site to the prescribed tolerance of  $\frac{1}{2}$  +/- degree of 140 degrees East of True North.

Yours truly,  
THOMAS LAND SURVEYORS &  
*Engineering Consultants, Inc.*
