set forth below.

We are presently under construction permit, and would at this time, Request to make modifications to
present operating status as to avoid application for a silent STA Pursuant to Section **(47 CFR 73.811)**
rules of the Federal Communications Commission ("Commission")

Property owned by Donald Ring, 6331 Main Street, Orangevale Ca. 95815 the stations transmitter site
owner was foreclosed upon and required to vacate the premises.

Subsequently, circumstances necessitate deviations from the construction permit parameters.
Understanding fully, any changes must first be approved via the grant of a modification **in accordance
with the permit.**

We have worked diligently and in good faith to complete expeditiously, the fulfillment of our present
construction permit reasonably necessary to complete the relocation process.

Respectfully submitted, we have identified several alternate TRANSMITTER site locations that allow for immediate Tower occupancy Pursuant to **SECTION IV: TECHNICAL REQUIREMENTS** For LP100 stations.
