

Compliance with International Agreement

The proposed facility is located within 320 kilometers of the Mexican border. However the protected contour of the proposed facility is reduced in relation to the protected contour of the existing construction permit (BNPED-20000301AAX) that has already been authorized by the Mexican government. (See Exhibit 21-A)

Therefore, this application should be able to be approved without further review by the Mexican government.

Exhibit 21-A
