2. The certification requirements under section 1.2110(j) of the Commission's Rules regarding designated entities is not applicable to Miriam Media, Inc.
3. Pursuant to Section 1.2112(a) of the Commission's Rules, Miriam Media hereby certifies that elsewhere in this application it has disclosed: 1) the real parties in interest in the application (i.e. Miriam Media, and its sole principals Darryl Delawder (President) and Evan Carb (Vice President)); 2) All shareholders holding 10% or more of the stock of Miriam Media (i.e. Darryl Delawder (51% voting common & controlling interest) and Evan Carb (49% voting common)). No parties hold any indirect ownership interests in Miriam Media. Additionally, Miriam Media was the winner of five 'construction permits' in FM auction 70 and giving it the right to file long form applications for new FM stations in Willow Creek, CA, Ballinger, Texas, Benjamin, Texas, Childress Texas, and Turkey, Texas. All such applications will be filed before the filing deadline of May 2, 2007 set by FCC Public Notice DA 07-1437. Neither Miriam Media, Inc. nor either of its principals hold any interest in other FCC licenses or any other FCC-regulated entity or Applicant for an FCC license.
4. Section 1.2112(b) of the Commission's Rules, regarding small business status is not applicable to Miriam Media, Inc.
5. New Entrant Bidding Credit: Pursuant to Public Notice DA 06-2248 in AU Docket No. 06-170, released November 2, 2006 at ¶ 170, Miriam Media is providing this exhibit demonstrating its eligibility for the asserted bidding credit. Prior to and during the auction, Mr. Delawder held a 100% interest in Miriam Media. In its form 175, Miriam Media asserted its entitlement to a New Entrant Bidding Credit, based on the fact that Mr. Delawder, then the 100% owner, based on the required assessment performed as of the date of filing of the short form application, had no attributable interest in any other media of mass communications (defined therein as including commercial and NCE full-power broadcast stations, but excluding LPTV stations). This assessment took into account the concepts of spousal or familial attribution, as well as interests held by substantial investors or creditors. (See PN DA 06-2248 at ¶¶ 48-50). It was determined that Mr. Delawder as the sole stockholder, having no such attributable interests, fully qualified for the 35% new entrant bidding credit.

Since the close of the auction, no change has occurred that would alter or diminish the determination of Miriam Media's eligibility for the asserted credit. Following the release of the End of Auction Public Notice (DA 07-1437), Mr. Delawder while maintaining his controlling interest in Miriam Media (both de facto and de jure), sold a 49% interest to Evan Carb. Even if required to be considered for the purposes of this showing, the entry of Mr. Carb as a non controlling stockholder in Miriam Media would not affect Miriam Media's qualification for the full 35% New Entrant Bidding Credit, since Mr. Carb also has no attributable interests in any other media of mass communications as defined above.
