Re: KQAC Portland

Dear Mr. Holtz:

Having reviewed the information you supplied it appears that any potential interference should be minimal to WatchTV's KOXO-CA (TV) RF Channel 6 from All Classical Public Media's proposed operation of KQAC (FM), located at 4614 SW Barnes Rd., Portland, OR, operating on FM channel 210 (89.9 MHz) at 6.4 KW ERP. Therefore, WatchTV Inc. allows the operation of KQAC (FM) under All Classical Public Media's proposed operating parameters.

However, since a possibility does exist, All Classical Public Media agrees to comply with the following conditions:

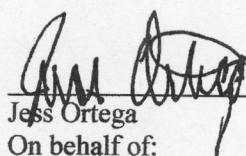

- 1) WatchTV Inc. may direct, at any time it chooses, interference complaints it receives from viewers to the following designated contact person:

- 3) This agreement applies only to the particular application with which it is first submitted and any future changes in the operating parameters of the station will require a new letter of agreement between WatchTV Inc. and All Classical Public Media Inc.
