

PORT CLINTON KNIGHTS OF COLUMBUS HOME ASSOCIATION
FCC FORM 340
EXHIBIT 2

NATURE AND EDUCATIONAL PURPOSES OF APPLICANT

Port Clinton Knights of Columbus Home Association ("the Applicant") is a nonprofit, non-stock educational organization. The Applicant will operate the new noncommercial educational FM station in Sandusky, Ohio (the "Community") pursuant to Section 73.503 of the Commission's Rules.¹

The primary place of business for this applicant, listed on the first page of the application, disclosed under the parties to the application, and supported in the attachments hereto, is within 25 miles of the proposed community of license. In addition, at least three-fourths of the parties to this application as set forth herein reside (and have resided at least two years) within 25 miles of the Community. Applicant therefore qualifies for "established local" comparative criteria credit of three points.

The Applicant and all parties to the application hold no attributable broadcast interests in any other full power broadcast facility. Applicant therefore qualifies for "diversity of local ownership" comparative criteria credit of two points.

The Applicant's governing documents demonstrate its commitment to ensuring that any station resulting from a grant of the instant application provides educational programming to the Community.

The FCC staff has concluded that religiously oriented applicants for noncommercial educational FM stations satisfy the requirements of Section 73.503 of the FCC's Rules by fulfilling two criteria.² First, the applicant must propose an overall educational program. Second, the proposed programming must advance the applicant's educational objectives. The full Commission has cited this two-prong test with approval.³ As explained herein, the Applicant satisfies both elements of this test.

The Applicant will provide a noncommercial broadcast service for the purpose of advancing its educational objectives. The educational objectives of the Applicant include the following:

(1) To provide educational and religious instruction, including analysis of ancient scripture and the moral teachings manifest in the Bible and in the Catechism of the Roman Catholic Church;

¹ 47 C.F.R. §73.503.

² *Columbia Bible College Broadcasting Co.*, 06 F.C.C.R. 516, 517 (ASD 1991).

³ *WQED Pittsburgh*, 15 F.C.C.R. 202, 215 (1999).

(2) To provide the opportunity for, and to promote, informative discussion and debate in areas pertaining to contemporary social and religious issues, as well as citizenship and its responsibilities; and

(3) To foster the development and implementation of successful methods, including the delivery of charitable services, for responding to community problems such as poverty, the crisis in marital and family relationships, sexual and substance abuse, and mental health disorders and homelessness.

In order to advance these and other educational purposes, the Applicant plans to broadcast primarily the radio programming provided by Eternal Word Television Network ("EWTN"). The Applicant will not air commercials, and the EWTN feed includes no paid programming. Rather, the EWTN radio service includes news and current affairs programming; interactive call-in discussion shows; live interviews with authors on spiritual matters and social issues; recorded instructive talks by eminent theologians, scholars, and homilists; and live airings of devotional prayers and the daily Mass. Below is a copy of the most current EWTN program schedule.

In addition, the Applicant may at times broadcast elements of the syndicated programming available from other Catholic sources, such as Relevant Radio or Ave Maria Radio.

Over time, the Applicant hopes to develop and produce locally originated programs. The Applicant will work with local Roman Catholic parishes and other community organizations to assist and complement existing efforts to administer to the spiritual, intellectual, and physical needs of the listening audience.

In view of the foregoing, the Applicant is an educational organization and has evidenced an intention to operate the new noncommercial educational FM station consistent with an overall educational program. Accordingly, the nonprofit nature and educational purposes of the Applicant make it eligible, consistent with Section 73.503 of the Commission's Rules, to obtain the broadcast authorization sought in the instant application.

The Applicant is a corporation established locally by community members of the Knights of Columbus, the world's largest Catholic men's fraternal organization. More about the Knights of Columbus can be learned at <http://www.kofc.org/un/eb/en/about/index.html>.

As noted at the above-cited web page, "Social and intellectual fellowship is promoted among members and their families through educational, charitable, religious, social welfare, war relief and public relief works." Significantly, an educational purpose is to be identified in the evangelical activities and faithfulness to the Catechism of the Catholic Church that is implicit in all organizations founded by and for the Knights of Columbus and their families (the "KofC").

That said, the religious nature and evangelistic impulse that permeates every organization founded by and for the "KofC" does not somehow make every member of the Catholic clergy a party to the instant application. We therefore do not attempt to list as parties to this application anyone other than the Board members and officers of the Applicant.

In an abundance of caution, we acknowledge that Applicant is loosely affiliated with other similar corporations established in and for the local Knights of Columbus living in other communities across the nation, yet no other applications or broadcast interests related to other Catholic organizations can be attributed to the Applicant for the purposes of determining eligibility for comparative points criteria or for tiebreaker analysis.

The "Supreme Knight", who is responsible for leading the global organization that charters the thousands of unincorporated associations of Knights across the country and internationally, does not purport to govern these locally incorporated nonprofits in any legal sense. Moreover, the professed loyalty of every Knight to the teachings of the Catholic Church does not somehow make the Pope or any of the Bishops of the Church a party to the instant application.

The Applicant is an independent corporation with a governing Board elected by members of the Knights of Columbus residing in the community. Accordingly, there can be no doubt that the Applicant is established locally in its community, that is has no other attributable broadcast interests, and that it has no other pending applications.
