Dear Applicant:

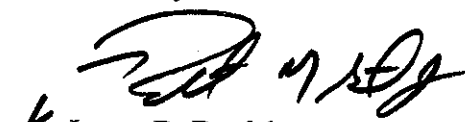

This is in reference to the request filed May 8, 2008, on behalf of Pembrook Pines Elmira, Limited ("PPE"), licensee of WEHH(AM), Elmira Hts-Horsehead, New York and W230BB, Elmira, New York. PPE requests special temporary authority ("STA") to rebroadcast the programming of AM Station WEHH(AM) on FM Translator W230BB. In support of the request, PPE states that WEHH(AM) is unable to provide an interference-free signal to the area as a result of interference from adjacent-channel stations.

Having given the proposal thorough consideration, we find that the Public Interest would be served by grant of PPE's request.

Accordingly, the request for STA IS HEREBY GRANTED. Station WEHH(AM) may rebroadcast its programming on FM Translator W230BB. PPE must take whatever steps are necessary to prevent exposure of workers and/or the public to radio frequency fields in excess of the Commission's exposure limits. See 47 CFR Sections 1.1307(b), 1.1310.

This authority expires on **January 7, 2008**.

Sincerely,

James D. Bradshaw
