Tim Woodson Ministries (a non-stock, not-for-profit broadcasting corporation, hereinafter "TWM") views mankind with three distinctive components: physical, emotional, and spiritual. It is our belief that all three of these components must be in balance for mankind to have a fulfilled life. TWM further believes that our American society and secular media have ignored the spiritual component of mankind.

TWM will focus on both local and national programs to bring the spiritual component of mankind to the attention of our listeners. Thus, the radio station's focus and mission will be to educate our community in the following areas:

1. To make our audience aware of the spiritual component of man and to encourage them to be people of positive values, positive attitudes and to have a Bible Based morality. Instructing the listeners to be people of faith, truth, and honesty; encouraging each listener to have an attitude of fairness and compassion as they deal with others in their communities.
2. To reinforce positive family values in the home. Educating and encouraging families to fulfill their respective roles in a productive society.
3. To serve as a venue for positive community news and activities.
4. To share positive and uplifting Christian music.

TWM will be non-denominational in religious focus. There is an oversight board composed of members who believe and have a personal relationship with Jesus Christ. Board members will:

Set goals and give programming direction.

- Ensure that the programming is biblical and honoring Christ.
  - Determine if the programs meet the TWM purpose of educating the public.

Even though TWM visualizes the radio station as primarily talk radio, our ministry would not be complete without a time for uplifting Christian music. The music comes from various sources and is a daily part of our ministry. In addition to well-know artists, we invite local artist to share their music and ministry. Local musical events are frequently promoted through on air initiatives and web site postings.
