

Declaration of Edward Czelada

Edward Czelada hereby declares and says:

I have been a broadcast engineer since 1986. I have been directly involved with design, development and installation of broadcast antennas and RF transmission systems for the last 30 years. I also hold a general class license and have been involved in electrical engineering and manufacturing.

That I have reviewed the installation of the WAIR(FM) 104.9 directional antenna system and that it has been installed properly in accordance with instructions and specifications.

I also certify that the antenna was installed at the proper height and rotated to a proper azimuth as to comply with FCC requirements (see surveyors statement).

That all the statements contained within this exhibit are true and accurate to the best of my knowledge and belief.

Respectfully submitted by:
