

FCC Form 316
Exhibit 10

WHME-TV
South Bend, IN
Fac. Id. 36617

Change in Interests as a Result of *Pro Forma* Assignment

LeSEA Broadcasting Corporation ("LeSEA"), assignor herein, is a non-profit Indiana corporation controlled by a board of three (3) directors. LeSEA requests FCC consent to a *pro forma* assignment of the license for full-power television station WHME-TV, South Bend, Indiana (Fac. Id. 36617) from LeSEA to LeSEA Broadcasting of South Bend, Inc. ("LeSEA of South Bend"), a new Indiana non-profit corporation. LeSEA is the sole member of LeSEA of South Bend and through its existing board of directors (listed below), will exercise 100% voting control over LeSEA of South Bend. Because LeSEA's three directors will be exercising their present 33.3% each voting interest whenever LeSEA takes action as the sole member of LeSEA of South Bend, no change in control results from the proposed license assignment. LeSEA of South Bend's officers and directors, all of whom are U.S. citizens, are listed below and are the same as the current officers and directors of LeSEA. Thus, the assignment is *pro forma* as contemplated by Section 73.3540(f)(5) of the Commission's rules and the use of FCC Form 316 is appropriate.
