

October 26, 2005

To Whom it May Concern:

This letter will confirm an azimuth of One Hundred Eighty-Nine Degrees ( $189^\circ$ ) of a new Shively three bay directional FM antenna (Model # 6810-3-DA) installed for FM broadcast station KTOY on an existing tower having the geographic coordinates 33-25-45 N / 94-07-11 W (NAD 27).

I, Richard V. Hall, Jr., Texas Professional Land Surveyor No. 2001, do hereby certify the foregoing to be accurate.

  
Richard V. Hall, Jr., PLS
