Pinnacle Media, LLC, FRN 0019028406 Request for Virtual Channel Number and TSID

Attention: LPTV Branch, Video Division, Media Bureau

Dear Ms. Dortch:

Pinnacle Media, LLC hereby requests that **Virtual Channel 30** and a **TSID** be assigned to Station KLRA-LP for use when the station begins operating under its granted construction permit, File No. BMPDTL-20120206AAJ, granted February 16, 2012, converted to Class A status by BLDTA-20120712ABV, granted July 18, 2012.

KLRA-LP is currently licensed to operate on analog channel 58. It will operate on digital channel 16. It cannot use channel 16 as its virtual channel, because channel 16 is used by Station KLRT-TV, Fac. ID 11951, Little Rock, AR. While virtual channel 58 is theoretically available, use of that number will be confusing to viewers, or at least make it much more difficult to find KLRA-LP, because "58" is so far out of core and so far above the other virtual channel numbers used in the market (the highest full power virtual channel number in or near the city of Little Rock is 42).

To facilitate access and to allow us to compete for viewers in the virtual channel number area used by other stations in our service area, we request assignment of Virtual Channel 30, which is the RF channel used by the station whose virtual channel is the same as KLRA-LP's RF channel number.

There is no conflicting use of virtual channel 30. Attached is a print-out from the Commission's TV Query database, showing that no full power, Class A, or LPTV station within 100 km of the authorized KLRA-LP digital transmitter site operates on RF Channel 30. If this same search is undertaken with a full detailed display of all results that includes virtual channel information, running a "find" search for "Virtual Channel: 30" yields no hits.

Anti-drug abuse certification: I hereby certify that no party to this request, as defined in 47 CFR §1.2002(b), is subject to a denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. Sec. 853a.

Respectfully submitted, PINNACLE MEDIA, LLC
