

AM Primary Station and Proposed FM Translator Station Minor Change and Fill-In Study

Exhibit A

August, 2018

- WTCG.AM
- W295CD.APP.222
- W295CD.CP.FAC.ID.146299

Note: The FM Translator station's authorized 60 dBu contour is shown below as the thin red dashed contour. This CP was authorized as a result of an AM Revitalization ("AMR") Proceeding 250-mile Minor Modification Application. Consequently, in accordance with Footnote 22 in the AMR Second Report and Order (MB Docket 13-249), Effective April 10, 2017, the further modification proposed herein is considered a minor modification of construction permit.
