

**MULTIPLE OWNERSHIP  
EXHIBIT 5**

According to the Commission's local ownership "tiers," in a Metro reported by BIA as having between 15 and 29 (inclusive) "home" commercial and noncommercial educational full-power radio stations, a party may have a cognizable interest in up to 6 commercial full-power radio stations, not more than 4 of which are in the same service (AM or FM). In the Mobile, Alabama Nielsen Metro there are 28 commercial and noncommercial educational full-power radio stations. This application complies with the local radio ownership portion of the multiple ownership rules set forth in 47 C.F.R. Section 73.3555 because three FM radio stations (WDLT-FM, WABD and WBLX-FM) and two AM stations (WGOK and WXQW) are attributable to the licensee or any party to this application.

In addition, the principal community contour of Station WXQW(AM) does not overlap the principal community contour of any full-power commercial or non-commercial radio station that (i) is not located within or "home" to another Arbitron Metro and (ii) is attributable to Cumulus Licensing LLC or any party to this application.
