In re: Low Power Television Application of:
The University of Texas at Austin
Channel 29, Austin, TX.
File no.: BMPDTL-20090821ACN
Facility Id No.: 167743

Dear Applicant:

We are currently processing your above-referenced application. Our preliminary engineering review reveals that your proposed facility does not comply with the Commission's interference rules. Specifically, the proposal is predicted to cause interference to the following facilities:

1. KABB, San Antonio, TX. – BPCDT-19991028AAR

You are hereby given the opportunity to file a minor amendment to resolve the specified interference problem within (30) days from the date of this letter. Amendments must be filed electronically. If not so amended, your application will be considered incomplete and subsequently dismissed.

Sincerely

Hossein Hashemzadeh
Associate Chief
Video Division
