Purpose, vision, and mission statement

The End of the Trail Broadcast Project is a Nevada nonprofit and a 501(c)(3), established March 7, 2017, organized exclusively for charitable and educational purposes by providing locally produced educational broadcast content that informs the underserved communities of western Nevada with non-commercial content otherwise overlooked by commercial media such as cultural programming, P-12 educationally applicable content, local news, public affairs and emergency broadcasts related to the community's public safety and welfare.

Examples of programs that will be aired on the station are on the following page.
