Folse Communications, L.L.C.  
Channel 30, Houma, LA.  
File number BPTTA-20080411ABC  
Facility Id No.:24978

Dear Applicant:

We are currently reviewing the above referenced analog minor change proposal, and our records reveal that your facility has converted to a digital facility as a result of the grant of the digital license application BLDTA-20100111AGW which covers the underlying flash cut construction permit BDFCDTA-20060331AJR; therefore, the above referenced analog minor change construction permit IS HEREBY DISMISSED.

Sincerely
