

Technical Exhibits in Support of Minor Modification of Construction Permit
for WGES

Channel 6 Interference

Interference to TV Channel 6, WTVJ-TV, Miami, is minimal as a result of the placement of the proposed station and the distance from WTVJ and will potentially effect less than 2,223 persons, less than the 3,000 person minimum, and is fully compliant with Sec. 73.525 of the rules. The results of this study are shown on the map and table included in this exhibit.

**Certification in regard to Section 73.525(b)(4) written notice to Channel
6 WTVJ**

I, Edwin L. Ortiz, President of Genesis Broadcasting Network Corporation, have given early written notice of the proposed Minor Modification of Construction Permit of WGES facilities to all affected channel 6 stations.

Date: 6-17-03.

Further to the requirements and intentions of the FCC, WGES will post appropriate signs at entrances to the property, on the walls and doors of buildings containing transmitters, and on fences warning the public and workers of the potential hazard.

WGES will require that the power to the antenna be reduced as necessary to accommodate workers or will discontinue operation, if necessary, for this purpose.

Declaration of Edwin L. Ortiz

I, Edwin L. Ortiz, President of Genesis Broadcasting Network Corporation, have read the Application and do declare under penalty of perjury that all of the statements made in the Application are true and accurate to the best of my knowledge.
