If the FCC Consent imposes any condition on Buyer or Seller or any of their respective Affiliates, such party shall use its commercially reasonable best efforts to comply with such condition; provided, however, that neither Buyer nor Seller shall be required hereunder to comply with any condition that would have a material adverse effect upon it or any of its Affiliates. If reconsideration or judicial review is sought with respect to the FCC Consent, the party affected shall vigorously oppose such efforts for reconsideration or judicial review; provided, however, that nothing herein shall be construed to limit either party's right to terminate this Agreement as provided herein.

ARTICLE IV
SELLER'S REPRESENTATIONS AND WARRANTIES

Seller makes the following representations and warranties to Buyer, each of which is true and correct on the date hereof, shall survive the Closing and shall be unaffected by any investigation by Buyer:

4.02 Authorization and Binding of Obligation. The sale, conveyance, transfer and assignment of the Station Assets to Buyer as herein provided has been duly authorized and approved by Seller as required by applicable law or otherwise, subject only to FCC approval. This Agreement is the valid and binding obligation of Seller enforceable against Seller in accordance with its terms.

Seller possesses all permits, certificates, licenses, approvals, and other authorizations from all governmental agencies necessary to carry on the business of the Station and to own and operate the Station Assets at the places and in the manner in which the business of the Station is now being, or is authorized to be, conducted.

No other broadcast station or communications facility is causing objectionable interference to transmissions of the Station or the public's reception of such transmissions. Seller does not have any reason to believe that the Station Licenses and other licenses, permits, or authorizations would not be renewed in their ordinary course to the best of Seller's knowledge. All material reports, forms, and statements required to be filed by Seller with the FCC with respect to the Station since the earlier of the (i) acquisition of the Station by Seller or (ii) grant of the last renewal of the Station License have been filed and are substantially complete and accurate. The operation of the Station and all of the Station Assets are in compliance in all respects with ANSI Radiation Standards.

Except as set forth in Article 5 with respect to governmental consents and in Schedule 4.05(i) with respect to consents required in connection with the assignment of certain Contracts, the execution, delivery and performance of this Agreement by Seller: (a) does not require the consent of any third party (including, without limitation, the consent of any governmental, regulatory, administrative or similar authority); (b) will not conflict with, result in breach of, or constitute a violation of or default under, the provisions of Seller's articles of organization or operating agreement (or other charter documents) or any applicable law, judgment, order, injunction, decree, rule, regulation or ruling of any governmental authority to which Seller is a party or by which Seller, or any of the Station Assets are bound; (c) will not either alone or with the giving of notice or the passage of time, or both, conflict with, constitute grounds for termination of or result in a breach of terms, conditions or provision of, or constitute a default under, any Contract, agreement, instrument, license or permit to which Seller or any of the Station Assets is now subject; and (d) will not result in the creation of any lien, charge or encumbrance on any of the Station Assets.

4.08 Judgements and Litigation. No judgement has been entered and no litigation, proceeding or dispute is pending or threatened which materially adversely affects the title or interest of Seller in or to the Station and Station Assets, or its power or right to sell, convey, transfer or assign the same to Buyer as herein provided, or which could prevent or materially adversely affect the operation and use of the same by Buyer. Schedule 4.08 attached hereto describes all litigation, bankruptcy proceedings, and governmental investigations, pending or threatened, pertaining to the Station or the Station Assets.

4.09 Employees; Labor Matters. Seller is not a party to any collective bargaining agreement affecting the Station and no minority representation questions exist with respect to the persons employed by the Station and none is threatened. Seller has not conducted any environmental

study and its representations made herein are limited to information based on the best of its knowledge without conducting any independent study.

8.03 Assignment of FCC Licenses. The FCC shall have authorized the assignment of the FCC License to Buyer, such authorization shall not be subject to any conditions that are materially adverse to Seller and such authorization shall have become a Final Order, unless Buyer shall elect to close earlier following issuance of FCC authorization.

8.04 Certificates. Buyer shall have furnished Seller with such certificates of the respective officers of Buyer or certificates of governmental authorities or of others to evidence compliance with the conditions set forth in this Article VII as may be reasonably requested by Seller.

ARTICLE IX

DOCUMENTS TO BE DELIVERED AT CLOSING

9.01 Seller's Documents. At the Closing, Seller shall deliver or cause to be delivered to Buyer the following:

(a) A certificate, dated as of the Closing Date, from Seller, executed by Seller after due inquiry, to the effect that:

(i) The representations and warranties of Seller contained in the Agreement are true and complete in all material respects on and as of the Closing Date as if made on and as of that date; and

(ii) Seller has complied with or performed in all material respects all terms, covenants and conditions to be complied with or performed by it on or prior to the Closing Date.

(b) Instruments of conveyance and transfer, in form and substance reasonably satisfactory to Buyer, effecting the sale, transfer, assignment and conveyance of the Station Assets to Buyer, including: (i) assignments of the Station Licenses; (ii) bills of sale for all Personal Property; (iii) assignments of the Contracts to be assigned hereunder, including any necessary third party consents; and (iv) assignments of all intangible personal property including all books, records, logs and similar assets.

(c) At the time and place of Closing, originals and all copies of all program, operations, transmission or maintenance logs and all other records required to be maintained by the FCC with respect to the Station, including the public file of the Station, shall be left at the Station and thereby delivered to Buyer;

(d) Such additional information, materials, agreements, documents and instruments as Buyer and its counsel may reasonably request in order to consummate the Closing.

9.02 Buyer's Documents. At the Closing, Buyer shall deliver or cause to be delivered to Seller the following:

(a) Certified resolutions of the Board of Directors of Buyer approving the execution and delivery of this Agreement and authorizing the consummation of the transactions contemplated hereby;

(b) Governmental certificates showing that Buyer is a corporation in good standing;

(c) The Purchase Price in accordance with Section 2.04 hereof;

(d) Such additional information, materials, agreement, documents and instruments as Seller and its counsel may reasonably request in order to consummate the Closing.

ARTICLE X **TERMINATION RIGHTS**

10.01 Termination.

(a) This Agreement may be terminated by either Buyer or Seller, if the party seeking to terminate is not in material default or breach of this Agreement, upon written notice to the other upon the occurrence of any of the following:

(i) if, on or prior to the Closing Date, the other party breaches in a material respect any of its representations or warranties hereunder or defaults in any material respect in the observance or in the due and timely performance of any of its covenants or agreements contained herein and such breach or default shall remain uncured for a period of twenty (20) days after a notice of such breach or default has been given to the other party;

(ii) if the FCC denies the FCC Application or designates the FCC Application for a trial-type hearing;

(iii) if there shall be in effect any judgment, final decree or order that would prevent or make unlawful the Closing; or

(iv) if the FCC has not granted approval of the assignment within nine (9) months after acceptance by the FCC of the FCC Form 314 application for assignment of the Station licenses to Buyer.

(b) Buyer may terminate this Agreement within thirty (30) days of execution in the event Buyer is unable to obtain a firm commitment from a lender for the Purchase Price on terms reasonably satisfactory to Buyer.

ARTICLE XI **REMEDIES**

11.01 Default by Seller. Seller recognizes that, in the event Seller defaults in the performance of its obligations under this Agreement, monetary damages alone will not be adequate. Buyer shall therefore be entitled in such event, in addition to bringing suit at law or equity for money or other damages, to obtain specific performance of the terms of this Agreement. In any action to enforce the provisions of this Agreement, Seller shall waive the defense that there is an adequate remedy at law or equity and agree that Buyer shall have the right to obtain specific performance of the terms of this Agreement without being required to provide actual damages, post bond or furnish other security. In addition, Buyer shall be entitled to obtain from Seller court costs and reasonable attorneys fees incurred by it in enforcing its rights hereunder or in seeking monetary damages. As a condition to seeking specific performance, Buyer shall not be required to have tendered the consideration specified in this Agreement, but shall be ready, willing and able to do so.

11.02 Default by Buyer. If the transactions contemplated by this Agreement are not consummated as a result of Buyer's wrongful failure to close hereunder, and Seller is not also in breach under this Agreement, then Seller shall be entitled to payment of **Ten Thousand Dollars (\$10,000)** as liquidated damages in full settlement of any damages of any nature or kind that Seller may suffer or allege to suffer as the result thereof. It is understood and agreed that the amount of liquidated damages represents Buyer's and Seller's reasonable estimate of actual damages and does not constitute a penalty. Recovery of liquidated damages under this Section shall be the sole and exclusive remedy of Seller against Buyer for failing to consummate this agreement and shall be applicable regardless of the actual amount of damages sustained. In addition, Seller shall be entitled to obtain from Buyer court costs and reasonable attorneys fees incurred by it in enforcing its rights hereunder.

ARTICLE XII **MISCELLANEOUS**

12.01 Risk of Loss. Seller shall bear the risk of loss as to all tangible property included in the Station Assets until the Closing Date. In the event that material damage or loss to any such property exists on the Closing Date, Buyer, at its option, may (i) proceed to close, accept responsibility for repair and accept an assignment of all insurance proceeds applicable to such loss, or (ii) defer the Closing to a date set forth in a writing delivered to Seller which date shall be no more than 60 days after the previously scheduled Closing Date by which such loss shall be restored or repaired to Buyer's reasonable satisfaction.

12.02 Applications for Commission Consent. Within five (5) days of this Agreement's execution, Seller and Buyer will join in application to be filed with the FCC seeking assignment and transfer of all Licenses (and any extensions or renewals thereof) from Seller to Buyer. Seller and Buyer will diligently take, or cooperate in the taking of, all steps that are necessary, proper or desirable to expedite the preparation of such applications and their prosecution to a favorable conclusion. Seller shall after the Closing Date file with the FCC (or furnish to Buyer for filing with the FCC) all information required by the FCC relating to the operation of the Station prior to the Closing Date.

12.03 Indemnification by Buyer. Subject to the provisions of this Agreement, Buyer agrees to indemnify and defend and hold Seller harmless from and against all liability, loss, damage or injury, together with all reasonable costs and expenses relating thereto, including reasonable legal and accounting fees and expenses, arising out of (i) any breach of any representation, warranty or covenant of Buyer set forth herein (whether due to commission, omission or otherwise), or (ii) any contracts Buyer had agreed to assume herein or pursuant to the Assumption Agreement (but only beginning with the date Buyer actually assumes such contracts).

12.04 Indemnification of Third-Party Claims. The following provisions shall apply to any Claim subject to indemnification which is (i) a suit, action or arbitration proceeding filed or instituted by any third party, or (ii) any other form of proceeding or assessment instituted by any Government Entity:

(a) *Notice and Defense.* The party or parties to be indemnified (whether one or more, the “*Indemnified Party*”) will give the party from whom indemnification is sought (the “*Indemnifying Party*”) prompt written notice of any such Claim, and the Indemnifying Party will undertake the defense thereof by representatives chosen by it. The assumption of defense shall constitute an admission by the Indemnifying Party of its indemnification obligation hereunder with respect to such Claim, and its undertaking to pay directly all costs, expenses, damages, judgments, awards, penalties and assessments incurred in connection therewith. Failure to give such notice shall not affect the Indemnifying Party’s duty or obligations under this Article 11, except to the extent the Indemnifying Party is prejudiced thereby. So long as the Indemnifying Party is defending any such Claim actively and in good faith, the Indemnified Party shall not settle such Claim. The Indemnified Party shall make available to the Indemnifying Party or its representatives all records and other materials required by them and in the possession or under the control of the Indemnified Party, for the use of the Indemnifying Party and its representatives in defending any such Claim, and shall in other respects give reasonable cooperation in such defense.

(b) *Failure to Defend.* If the Indemnifying Party, within a reasonable time after notice of any such Claim, fails to defend such Claim actively and in good faith, the Indemnified Party will (upon further notice) have the right to undertake the defense, compromise or settlement of such Claim or consent to the entry of a judgment with respect to such Claim, on behalf of and for the account and risk of the Indemnifying Party, and the Indemnifying Party shall thereafter have no right to challenge the Indemnified Party’s defense, compromise, settlement or consent to judgment.

(c) *Indemnified Party's Rights.* Anything in this Article 11 to the contrary notwithstanding, (i) if there is a reasonable probability that a Claim may materially and adversely affect the Indemnified Party other than as a result of money damages or other money payments, the Indemnified Party shall have the right to defend, compromise or settle such Claim, and (ii) the Indemnifying Party shall not, without the written consent of the Indemnified Party, settle or compromise any Claim or consent to the entry of any judgment which does not include as an unconditional term thereof the giving by the claimant or the plaintiff to the Indemnified Party of a release from all Liability in respect of such Claim.

12.05 Payment. The Indemnifying Party shall promptly pay the Indemnified Party any amount due under this Article 12, which payment may be accomplished in whole or in part, at the option of the Indemnified Party, by the Indemnified Party setting off any amount owed to the Indemnifying Party by the Indemnified Party. To the extent set-off is made by an Indemnified Party in satisfaction or partial satisfaction of an indemnity obligation under this Article 11 that is disputed by the Indemnifying Party, upon a subsequent determination by final judgment not subject to appeal that all or a portion of such indemnity obligation was not owed to the Indemnified Party, the Indemnified Party shall pay the Indemnifying Party the amount which was set off and not owed together with interest from the date of set-off until the date of such payment at an annual rate equal to the prime lending rate then being published by money center banks. Upon judgment, determination, settlement or compromise of any third party Claim, the Indemnifying Party shall pay promptly on behalf of the Indemnified Party, and/or to the Indemnified Party in reimbursement of any amount theretofore required to be paid by it, the amount so determined by judgment, determination, settlement or compromise and all other Claims of the Indemnified Party with respect thereto, unless in the case of a judgment an appeal is made from the judgment. If the Indemnifying Party desires to appeal from an adverse judgment, then the Indemnifying Party shall post and pay the cost of the security or bond to stay execution of the judgment pending appeal. Upon the payment in full by the Indemnifying Party of such amounts, the Indemnifying Party shall succeed to the rights of such Indemnified Party, to the extent not waived in settlement, against the third party who made such third party Claim.

12.06 Indemnification by Seller. Subject to the provisions of this Agreement, Seller agrees to indemnify and defend and hold Buyer harmless from and against any and all liability, loss, damage or injury, together with all reasonable costs and expenses relating thereto, including reasonable legal and accounting fees and expenses (collectively, "Indemnifiable Costs"), arising out of (i) any breach by Seller of any representation, warranty or covenant of Seller set forth herein (whether due to commission, omission or otherwise), (ii) any contracts which Buyer does not assume pursuant to the terms of this Agreement or pursuant to the Assumption Agreement, or (iii) any other obligation or liability of Seller, whether with respect to the Station or otherwise, not expressly assumed by Buyer hereunder or pursuant to the Assumption Agreement.

12.07 Survival. The obligations to indemnify hereunder and the agreements, covenants, representations and warranties made herein shall survive the Closing and any dissolution, liquidation, merger or consolidation of Buyer, on the one hand, or Seller, on the other hand, and shall bind the successors and assigns of Buyer and Seller. Notwithstanding the foregoing, the obligations to indemnify

hereunder and the agreements, covenants, representations and warranties made herein, shall expire on the first anniversary of the date of this Agreement, provided however, that any obligation set forth herein shall survive in accordance with its express terms.

12.08 Defense. If any action, suit or proceeding shall be commenced against, or any claim or demand be asserted against, a party to this Agreement in respect of which that party proposed to demand indemnification hereunder, notification shall be given to that effect to the indemnifying party, who shall assume the entire control of, subject to the right of the notifying party to participate (at its expense and with counsel of its choice) in, the defense thereof.

12.09 Expenses. Whether or not the transactions provided for herein are consummated, each party's expenses incurred in connection with the preparation and performance of this Agreement and the transactions contemplated hereby shall be paid for by that party.

12.10 Amendment. This Agreement may be amended only by a writing signed by all parties hereto.

12.13 Counterparts. This Agreement may be executed in multiple counterparts, each of which shall be deemed an original and all of which taken together shall be but a single instrument.

12.14 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Massachusetts (without regard to its choice of law provisions), except as they may be preempted by federal statute or the rules and regulations of the FCC.

12.15 Severability. Nothing contained in this Agreement shall be construed so as to require the commission of any act contrary to law, and where ever there is any conflict between any provision of this Agreement and any applicable statute, law, ordinance, order or regulation, such statute, law, ordinance, order or regulation shall prevail; provided, however, that in such an event the provision of this Agreement so affected shall be curtailed and limited only to the extent necessary to permit compliance with the minimum legal requirement, and no other provision of this Agreement shall be affected hereby and all such other provisions shall continue in full force and effect.

12.16 Headings. The descriptive headings of the several sections and paragraphs of this Agreement are inserted for convenience only and do not constitute a part of this Agreement.

12.17 Documents. Each party hereto agrees to execute and, if necessary, to file with the appropriate governmental entities, such documents as may be reasonably necessary in order to carry out the purposes of this Agreement.

12.18 No Waiver. The failure of any party to insist upon strict performance of any obligation hereunder shall not constitute a waiver of such party's right to demand strict compliance therewith in the future.

12.19 Termination. The transactions contemplated herein may be terminated at any time prior to the Closing by mutual consent in writing of the parties hereto.

12.20 No Third Party Beneficiary. Nothing in this Agreement, express or implied, is intended to confer on any person other than the parties hereto or their respective successors and assigns, any rights, remedies, obligations or liabilities under or by reason of this Agreement.

12.21 Assignment Fees. Buyer and Seller shall equally share any and all FCC fees attributable to the assignment of the Station as contemplated hereunder.

12.22 No Right of Reverter. Upon closing of the instant transaction, Seller will have no rights of reversion or license reassignment, and no reservation of time on the Station for any period whatsoever.

12.23 Entire Agreement. This Agreement, and the exhibits hereto embody the entire agreement and understanding of the parties hereto and supersede any and all prior agreements, arrangements and understandings relating to the matters provided for herein.

12.24 Environmental Audit. Buyer may cause an environmental audit of the Real Property and Personal Property to be conducted by a company selected by Buyer. All costs of such audit shall be paid by Buyer. If the environmental audit discloses the presence of any Hazardous Substance, Seller shall have the option to properly remove such Hazardous Substance and otherwise bring the Real Property and Personal Property into compliance with Environmental Laws at Seller's expense, including without limitation by obtaining all licenses and permits as required under Environmental Laws to evidence the proper disposal of Hazardous Substances; provided, however, that if Seller does not exercise such option, Buyer may, in its sole discretion, terminate its obligations hereunder upon written notice to Seller. Failure to conduct any audit or investigation shall not adversely affect Buyer's rights to rely upon the representations, warranties and covenants of Seller.

12.25 Modification. Seller agrees to cooperate with Buyer in submission of any minor modification application contemplating an upgrade of the Station or change in tower site. Buyer shall prepare the engineering and incur the costs of preparing and filing the minor modification application with the Federal Communications Commission. Seller agrees that it will, at Buyer's request, expeditiously file a modification application as requested by Buyer and shall further agree to file at Buyer's expense all other engineering and other documentation necessary to effectuate a change in the tower site currently utilized by the Station.
