(a) **Purchase Price.** The purchase price to be paid for the Station Assets will be Thirteen Million Dollars (\$13,000,000) (the “Purchase Price”), subject to the adjustments described below. Sellers and Buyer agree to use the Purchase Price as the basis for the filing of all returns and reports concerning the transaction contemplated herein, including all federal, state, and local tax returns.

Sales commissions related to the sale of advertisements broadcast on the Stations prior to Closing shall be the responsibility of Sellers, and sales commissions related to the sale of advertisements broadcast on the Stations after Closing shall be the responsibility of Buyer. Prorations and adjustments shall be made at Closing to the extent practicable. As to those prorations and adjustments not capable of being ascertained at Closing, Buyer shall prepare and deliver a list to Sellers within forty-five (45) days following the Closing Date, or such earlier or later date as shall be mutually agreed to by Sellers and Buyer (“Adjustment List”). The Adjustment List shall set forth each prorated income or expense item and include the net adjustment (“Adjustment”) to be made to the Purchase Price as a result thereof. If the Adjustment is a credit to Buyer, then Sellers shall promptly pay the Adjustment amount to Buyer. If the Adjustment is a charge to the account of Buyer, then Buyer shall promptly pay the Adjustment amount to Sellers. In the event that

Sellers disagree with the Adjustment amount determined by Buyer or with any other matter arising out of this subsection, and Buyer and Sellers cannot resolve the dispute themselves within sixty (60) days, Buyer and Sellers will refer the matters under dispute to an independent certified public accounting firm (“Independent Accountant”) mutually agreeable to Buyer and Sellers, whose decision shall be final. The fees and expenses of the Independent Accountant shall be borne by Buyer, on the one hand and Sellers on the other hand, in inverse proportion as they may prevail on matters resolved by the Independent Accountant, which proportionate allocations shall also be determined by the Independent Accountant at the time it renders its determination on the merits of the matters submitted.

1.5 **Allocation of Purchase Price.** No more than thirty (30) days after the Closing, Sellers shall deliver to Buyer a statement allocating the Purchase Price (plus Assumed Liabilities to the extent properly taken into account under Section 1060 of the Internal Revenue Code (the “Code”)), among the Station Assets, in compliance with Section 1060 of the Code (the “Purchase Price Allocation”). If within fifteen (15) days after the delivery thereof the Buyer notifies Sellers in writing that the Buyer objects to the Purchase Price Allocation set forth therein, Buyer and Sellers shall attempt in good faith to resolve such dispute within thirty (30) days. If Buyer and Sellers are unable to agree upon the Purchase Price Allocation within thirty (30) days after the commencement of such good faith negotiations, each Party shall have the right to act in accordance with its own allocation of the Purchase Price and Assumed Liabilities for the preparation, filing and audit of any tax returns in its discretion.

1.6 **Further Assurances.** Each of Sellers and Buyer shall, at any time or from time to time after the Closing, at the request and expense of the other, execute and deliver to the other all such instruments and documents or further assurances or take all such actions as the other may reasonably request in order to (i) vest in Buyer all of Sellers’ right, title and interest in and to the Station Assets as contemplated hereby, (ii) effectuate Buyer’s assumption of the Assumed Liabilities and (iii) grant to each party all rights contemplated herein to be granted to such party under this Agreement; provided, however, that after the Closing, apart from such customary further assurances, neither Sellers nor Buyer shall have any other obligations except as specifically set forth herein or in the Ancillary Agreements.

ARTICLE 2 FCC CONSENT; CLOSING

2.1 **FCC Consent; Assignment Applications.** Sellers and Buyer shall each prepare and execute, file, and diligently prosecute the appropriate applications to the FCC (the “Assignment Applications”) to obtain the FCC’s consent (“FCC Consent”) to the assignment from License Seller to Buyer of the FCC Authorizations as expeditiously as possible. Sellers and Buyer shall file the Assignment Applications and any other requisite applications, instruments or documents requesting the FCC Consent not later than five (5) business days after the Effective Date.

(a) Buyer shall reimburse Sellers for one-half of the FCC filing fees paid in connection with the Assignment Applications. Buyer and Sellers each shall be responsible for all of its other costs with respect to the preparation, filing and prosecution of the Assignment Applications; *provided, however*, that neither Buyer nor Sellers shall be required to pay consideration to any third party to obtain the FCC Consent.

(b) Buyer and Sellers shall cooperate in good faith to diligently prosecute the Assignment Applications and otherwise use their reasonable best efforts to obtain the FCC Consent as soon as possible; *provided, however*, that neither Party shall be required to appear at any trial-type hearing or to participate in a judicial appeal. Buyer and Sellers shall, with all reasonable diligence, oppose any petitions to deny or other objection filed with respect to an Assignment Application to the extent such petition or objection relates to such Party. Neither Buyer nor Sellers shall take any intentional action that would, or intentionally fail to take such action the failure of which to take would, reasonably be expected to have the effect of preventing or materially delaying the receipt of FCC Consent. If any FCC Consent imposes any condition upon any Party hereto, such Party shall comply with such condition, provided that such Party shall not be obligated to accept any condition that is materially adverse to the other business operations of such Party or any of its affiliates, or would require such Party or any of its affiliates to divest any business operation, alter the channel upon which any station (including the Stations) owned by such Party or any of its affiliates broadcasts, require any station (including the Stations) owned by such Party or any of its affiliates to provide a different class of service (*i.e.*, low-power, full-power, etc.) than currently licensed as of the date of this Agreement, or alter the contour of any station's coverage area (including the Stations), in each case except as contemplated in Section 7.5 of this Agreement.

(c) Buyer and Sellers shall (i) keep each other informed in all material respects and on a reasonably timely basis of any material communication received by such Party from, or given by such Party to, the FCC with respect to this Agreement, the Stations, the Assignment Applications, or the transaction contemplated hereby; (ii) notify each other of all documents filed with or received from the FCC with respect to this Agreement, the Station, the Assignment Applications, or the transaction contemplated hereby, and promptly provide each other with copies of all such documents; (iii) furnish each other with such information and assistance as the other may reasonably request in connection with their preparation of the Assignment Applications; (iv) cooperate in all respects with each other in connection with this Agreement, the Stations, the Assignment Applications, or the transaction contemplated hereby and in connection with any investigation or other inquiry by or before the FCC related to the foregoing and (v) notify the other Party hereto in the event it is or becomes aware of any facts or circumstances that would reasonably be expected to delay or otherwise adversely affect the FCC approval process or the transactions contemplated by this Agreement. Buyer and Sellers shall have the right to review in advance, and to the extent practicable each will consult with the other on, all information relating to the other Party that appears in any filing made with, or written materials submitted to, the FCC with respect to this Agreement, the Stations, the Assignment Applications, or the transaction contemplated hereby. Neither Buyer nor Sellers shall file any amendment to the Assignment Applications without the prior written consent of the other, such consent not to be unreasonably withheld.

2.2 **Closing**. The consummation of the transactions contemplated in this Agreement (referred to herein as the "Closing") shall occur on a date (such date referred to herein as the "Closing Date") that is mutually agreed by the Parties and is no more than ten (10) business days following the date (a) on which the FCC Consent shall have been granted, and (b) the other conditions to Closing set forth in Article 8 and Article 9 hereof (other than those requiring delivery of a certificate or other document, or the taking of other action, at the Closing) shall have either been waived or satisfied. Sellers and Buyer agree to cooperate to the extent

necessary to obtain the FCC's extension of the effectiveness of the FCC Consent as may be required. The Closing shall be held at the offices of Buyer's counsel or by exchange of documents via email, or as Sellers and Buyer may agree.

ARTICLE 3 REPRESENTATIONS AND WARRANTIES OF SELLERS

Sellers jointly and severally represent and warrant to Buyer, as of the date hereof and as of the Closing Date, as follows. For the purposes of this Agreement, all reference to the "Knowledge" of Sellers, shall mean the actual knowledge of the Sellers, including its officers, directors, and managing employees or the knowledge such persons would have after making a reasonable and due inquiry into the matters at issue.

3.1 **Organization and Authorization.** Each of the Sellers is a limited liability company duly organized, validly existing, and in good standing under the laws of the State of Delaware, and, to the extent required under applicable law, is duly qualified to do business in the state in which the relevant Station is located. Each of the Sellers has the power and authority to execute and deliver this Agreement and the agreements identified in Section 10.1(a) through 10.1(e) (collectively, the "Ancillary Agreements") and to consummate the transactions contemplated hereby and thereby. Sellers' performance under this Agreement and the Ancillary Agreements does not and will not contravene their respective organizational documents or breach any contractual obligation. Each of the Sellers has the requisite power and authority to own and hold its respective FCC Authorizations and operate the relevant Station and carry on its business as it is now conducted and as proposed to be conducted. The execution and delivery of this Agreement and the Ancillary Agreements and the consummation of the transactions contemplated hereby and thereby on Sellers' part have been duly and validly authorized by Sellers, and no other proceedings on the part of Sellers are necessary to authorize the execution and delivery of, or the performance of Sellers' obligations under, this Agreement or the Ancillary Agreements, or to consummate the transactions contemplated hereby and thereby. This Agreement has been duly and validly executed and delivered by Sellers. This Agreement constitutes, and the Ancillary Agreements will constitute, when duly executed and delivered by Sellers, the legal, valid, and binding obligation of Sellers, enforceable against Sellers in accordance with their respective terms, except as may be limited by bankruptcy, insolvency, or other laws affecting generally the enforcement of creditors' rights or the application of principles of equity.

3.2 **No Defaults.** The execution, delivery, and performance of this Agreement or the Ancillary Agreements by Sellers do not and will not (a) constitute a violation of, or conflict with, Sellers' organizational documents; (b) result in a default (or give rise to any right of modification, termination, cancellation, or acceleration) under, or conflict with, any of the terms, conditions, or provisions of any note, bond, mortgage, indenture, agreement, lease, or other instrument or obligation relating to the business of a Station and to which Sellers or any of the Station Assets may be subject; (c) violate any statute, regulation, order, injunction, or decree of any federal, state, or local governmental authority or agency which is applicable to Sellers or any of the Station Assets; (d) result in the creation or imposition of any Lien, charge, or encumbrance of any nature whatsoever upon any of the Station Assets, other than Permitted Liens or the Liens arising in favor of Buyer from this Agreement; or (e) require the consent, approval or authorization of or filing with any governmental authority, lending institution, or

other third party other than the FCC Consent, except as otherwise noted in Schedule 3.2 hereto. Sellers have not entered into any agreement with any third party related to the Station's FCC Authorizations, including agreements for the sale, transfer, or assignment of the FCC Authorizations or any interest therein.

3.3 **Real Property.** Seller does not hold any interest in real property with respect to the Stations other than (i) the Sublease Agreement between Buyer and Chicago Asset Seller, dated as of October 22, 2017 (the "WLPD Sublease Agreement"); and (ii) the Agreement of Lease and License between ESRT Empire State Building, L.L.C. (as successor in interest to Empire State Building Company, L.L.C.) (the "WDVB Landlord") and New York Asset Seller (as successor in interest to Nandi Basava Corp.), dated March 24, 2010, as amended (the "WDVB Site Lease").

3.4 **FCC Authorizations and Other Licenses.** Schedule 1.1(a) hereto contains a true, complete and correct list of the FCC Authorizations and all other licenses, permits, or other authorizations from governmental or regulatory authorities that are held by Sellers and are required for the lawful conduct of the business and operations of the Stations in the manner and to the full extent that each Station is presently operated, including the Communications Laws. The FCC Authorizations and other licenses are valid, in full force and effect, unimpaired by any act or omission of Sellers, and not subject to any Liens. The FCC Authorizations have not been revoked, suspended, canceled, rescinded, or terminated and have not expired. There is not pending or, to Sellers' Knowledge, threatened, any action by or before the FCC to revoke, suspend, cancel, rescind, or modify any of the FCC Authorizations (other than proceedings relating to FCC rules of general applicability), and there is no order to show cause, notice of violation, notice of apparent liability, or notice of forfeiture or complaint pending or threatened against Sellers or the Stations by or before the FCC, except as contemplated in connection with the transition to the New Channel as part of the Repack, and as further described in Section 7.5. License Sellers lawfully hold are the sole holders of, each of the FCC Authorizations and the other licenses, permits, and authorizations listed on Schedule 1.1(a) licensed to them, none of which is subject to any restrictions or conditions that would limit in any material respect the operations of a Station, other than (a) as may be set forth on the faces of such FCC Authorizations and other licenses or (b) as may be applicable to substantial segments of the television broadcasting industry. License Sellers are qualified to be FCC licensees and Sellers have been and are operating each Station in compliance with the FCC Authorizations and the Communications Laws in all material respects. To Sellers' Knowledge, neither Station is transmitting or receiving any objectionable interference to or from any other station. All reports and filings required to be filed with the FCC by Sellers with respect to the operation of each Station have been filed, and all such reports and filings are substantially accurate and complete in all material respects. All regulatory fees required to be paid to the FCC by Sellers with respect to each Station have been timely filed and paid. Sellers maintain a public inspection file for each Station and, as of the date of filing of the Assignment Applications, each such file substantially complies with the Communications Laws in all material respects. Without limiting the foregoing, Sellers have operated the Stations in compliance with the requirements for maintaining Class A status of the Stations in all material respects and, to their Knowledge, no condition exists which could lead to revocation or loss of that Class A status.

3.5 **Employees.** Sellers are not a party or subject to any collective bargaining agreements with respect to the Stations. Sellers, in the operation of the Stations, have complied in all material respects with all applicable laws, rules and regulations relating to the employment of labor, including those related to wages, hours, collective bargaining, occupational safety, discrimination, and the payment of social security and other payroll-related taxes, and Sellers have not received any notice alleging that Sellers have failed to comply in any material respect with any such laws, rules or regulations. No labor union or other collective bargaining representative represents or, to the Knowledge of Sellers, claims to represent any of the employees of the Stations. To the Knowledge of Sellers, there is no effort being made to organize the employees or any group of employees of the Stations for purposes of collective bargaining. Sellers acknowledge and agree that Buyer shall have no obligation to offer employment to any employee of Sellers or the Stations or any post-closing liability with respect to any such employee or for any such employee's benefits of any kind or nature.

3.6 **Brokers.** Except for Patrick Communications, which represents Seller and whose broker fees with respect to the Station will be paid by Seller, there is no broker or finder or other person or entity who, as a result of any agreement, understanding, or action, would have any valid claim for a commission or a brokerage fee in connection with the sale of the Stations pursuant to this Agreement.

3.7 **Litigation; Compliance with Law.** Except as set forth in Schedule 3.7, (a) Sellers are not subject to any order, writ, injunction, judgment, arbitration, decision, or decree having a binding effect and affecting the business of the Stations or the Station Assets or which restrains or enjoins, or purports to restrain or enjoin, or could reasonably be expected to restrain or enjoin, the transactions contemplated hereby, and to Sellers' Knowledge no such proceeding is pending; (b) there is no litigation pending by or against, or, to Sellers' Knowledge, threatened against, Sellers which relates to the Stations or which could materially and adversely affect any of the Station Assets; (c) Sellers, with respect to the Station, have complied in all material respects with all applicable laws, regulations, orders, or decrees, including the Communications Laws; (d) the present uses by Sellers of the Station Assets do not violate any laws, regulations, orders, or decrees, including the Communications Laws, in any material respect; and (e) Sellers have no Knowledge of any basis for any claim for compensation or damage or other relief from any violation of the foregoing.

3.8 **Approvals and Consents.** The execution, delivery and performance by Sellers of this Agreement and the consummation of the transactions contemplated herein will not require any consent, permit, license or approval of any person, entity or government or regulatory authority other than the FCC Consent.

3.9 **Insurance.** All of the material Station Assets that are insurable are insured against loss, injury, or damage to the full extent of their replacement value.

3.10 **Environmental Matters.** (a) Sellers have not, in connection with the business and operation of the Stations or the Station Assets, generated, used, transported, treated, stored, released or disposed of, or to Sellers' Knowledge, suffered or knowingly permitted anyone else to generate, use transport, treat, store, release or dispose of any Hazardous Substance (as defined below) in violation of any applicable environmental law; (b) there has not been any

generation, use, transportation, treatment, storage, release or disposal of any Hazardous Substance in connection with the conduct of Sellers' business which has created or might reasonably be expected to create any material liability under any applicable environmental law or which would require reporting to or notification of any governmental entity; (c) to the Knowledge of Sellers, no asbestos or polychlorinated biphenyl or underground storage tank is contained in or located at any facility used in connection with its business; and (d) any Hazardous Substance handled or dealt with in any way in connection with Sellers' business has been and is being handled or dealt with in all material respects in compliance with all applicable environmental laws. To Sellers' Knowledge, Sellers and the Stations are in compliance in all material respects with all environmental, health and safety laws applicable to the Station Assets. There is no action, suit or proceeding pending or, to Sellers' Knowledge, threatened against Sellers or the Stations that asserts that Sellers or the Stations have violated any environmental, health or safety laws applicable to the Station Assets. "Hazardous Substance" means substances that are defined or listed in, or otherwise classified pursuant to, any applicable laws as "hazardous substances," "hazardous materials," "hazardous wastes" or "toxic substances," or any other formulation of any applicable environmental law intended to define, list or classify substances by reason of deleterious properties such as ignitibility, corrosiveness, reactivity, radioactivity, carcinogenicity, reproductive toxicity and petroleum and drilling fluids, produced waters and other wastes associated with the exploration, development, or production of crude oil, natural gas or geothermal energy.

3.11 **Taxes.** Sellers have duly, timely, and in the required manner filed all federal, state, and local income, franchise, sales, use, property, excise, payroll, and other tax returns and forms required to be filed, and has paid in full or discharged all taxes, assessments, excises, interest, penalties, deficiencies, and losses required to be paid, in each case, with respect to the Stations or their operations. To Sellers' Knowledge, no event has occurred which could impose upon Buyer any liability for any taxes, penalties, or interest due or to become due from Sellers or in relation to any Station Assets from any taxing authority that accrued and were due for payment prior to the Closing Date. No Station Assets are subject to any Lien as a result of the nonpayment of any amounts referred to in the first sentence of this Section 3.11.

3.12 **Accuracy of Representations and Statements.** No representation or warranty made by Sellers in this Agreement, and no statement made in any certificate, document, exhibit, or schedule furnished or to be furnished by Sellers in connection with the transaction herein contemplated, contains or will contain any untrue statement of a material fact or omits or will omit to state any material fact necessary to make such representation or warranty or any such statement not misleading to Buyer in the circumstance under which such representation, warranty, or statement was made.

3.13 **Sufficiency of Assets.** The Station Assets are sufficient for the conduct of the business and the operation of the Stations as presently operated by Sellers.

3.14 **Absence of Insolvency.** No insolvency proceedings of any character including without limitation, bankruptcy, receivership, reorganization, composition or arrangements with creditors, voluntary or involuntary, affecting Sellers or any of the Station Assets, are pending or, to the best Knowledge of Sellers, threatened, and Sellers have made no

assignment for the benefit of creditors, nor taken any action with a view to, or which would constitute the basis for the institution of, any such insolvency proceedings.

There is no litigation pending by or against, or, to the knowledge of Buyer, threatened against Buyer that would prevent or materially impede the consummation by Buyer of the transactions contemplated by this Agreement and the Ancillary Agreements to which Buyer will be a party.

4.6 **Brokers.** There is no broker or finder or other person who, as a result of any agreement, understanding, or action, would have any valid claim for a commission or a brokerage fee in connection with the sale of the Stations pursuant to this Agreement.

4.7 **Accuracy of Representations and Statements.** No representation or warranty made by Buyer in this Agreement, and no statement made in any certificate, document, exhibit, or schedule furnished or to be furnished by Buyer in connection with the transaction herein contemplated, contains or will contain any untrue statement of a material fact or omits or will omit to state any material fact necessary to make such representation or warranty or any such statement not misleading to Sellers in the circumstance under which such representation, warranty, or statement was made.

ARTICLE 5 COVENANTS OF SELLERS

The following terms of this Article 5 shall apply to Sellers from the Effective Date until the completion of Closing (except as otherwise specified).

5.1 **Station Documents.** The records, files and other documents kept in connection with the Stations shall be maintained by Sellers in the usual and ordinary manner consistent with standard broadcast industry practice. Sellers shall maintain the Station's physical and online public inspection files in accordance with the Communications Laws, including requirements related to (a) which documents shall be included in such physical and electronic public inspection files, (b) by when such documents must be added to such files, and (c) with respect to the Stations' physical public inspection files, where it must be located and when and in what manner the Sellers must provide access to the public to such file.

5.2 **FCC Compliance.** Sellers shall continue to operate and maintain the Stations in accordance in all material respects with the terms of the FCC Authorizations and in material compliance with all applicable laws, including Communications Laws. Sellers shall maintain the FCC Authorizations in full force and effect and shall take all actions necessary to so

maintain them, including but not limited to the timely filing and prosecution of any renewal applications or other submissions to the FCC. Sellers shall operate the Stations in compliance with the requirements for maintaining Class A status of the Stations. Sellers promptly will deliver to Buyer (a) after filing, copies of any material reports, applications, or responses to the FCC in connection with the Stations filed after the Effective Date and (b) copies of any material communications from the FCC, or directed to the FCC by a third party, in connection with the Station that are received by Sellers or of which Sellers becomes aware after the Effective Date. Except as expressly permitted or required herein, Sellers will not file any application with the FCC requesting authority to modify the Station's facilities without Buyer's prior written consent, and Sellers shall take all actions necessary to keep the FCC Authorizations, including all material permits and applications pending before the FCC, valid and in full force and effect.

5.3 **Operation of Stations in Ordinary Course.** In all respects, except as disclosed in advance in writing to, and approved by, Buyer or as expressly permitted or required herein, including the terms and conditions of Section 7.5, Sellers shall operate the Stations in the ordinary course of business and in accordance with past practice, and shall pay and perform all of its respective obligations with respect to the Station in the ordinary course and as such obligations become due, and shall preserve the business and goodwill of the Station and the Station Assets. Sellers shall not, without the prior written consent of the Buyer, which consent shall not be unreasonably withheld, (a) sell, lease, or transfer, or agree to sell, lease, or transfer, any of the Station Assets without replacement thereof with an asset of equivalent kind, condition, and value that satisfies industry standards for such assets; (b) create, incur or assume any new Lien on the Station Assets other than Permitted Liens and Liens arising pursuant to, and in accordance with, the terms of this Agreement; (c) make or change any material tax election with respect to the Station Assets, except in the ordinary course of business; (d) terminate or cancel any insurance coverage maintained by Sellers with respect to the Station Assets without replacing such coverage with a comparable amount of insurance coverage; or (e) agree or commit to do any of the foregoing.

5.4 **Insurance.** Sellers shall maintain in full force and effect through the Closing Date adequate property damage, liability and other insurance with respect to the Station Assets.

5.5 **Solicitation.** For as long as this Agreement shall be in effect, neither Sellers, nor any of its respective principals, directors, officers, agents, or representatives, shall hold any communications, discussions or negotiations with, and shall not, directly or indirectly, solicit, initiate, encourage, induce, or entertain any inquiries or proposals from, discuss or negotiate with, provide any nonpublic information to, or consider the merits of, any inquiries or proposals from any person (other than Buyer) relating to any business combination transaction, purchase or acquisition involving the Stations.

5.6 **Compliance with Law.** Sellers shall comply in all material respects with all federal, state, and local laws, rules and regulations, including the Communications Laws, in connection with the operation of the Stations.

5.7 **Access to Facilities, Files and Records.** At the request of Buyer, Sellers shall from time to time give to, or cause to be given to, Buyer and its officers, employees

and authorized representatives full access during normal business hours to its Station Assets, offices, properties, insurance policies, licenses, agreements, records related to expenses incurred by Sellers to operate the main studio and transmission chain, contracts and equipment with respect to the Station; *provided, however*, that all such access shall be scheduled in a manner reasonably acceptable to Sellers. Sellers shall also provide Buyer with all other information concerning the Station or the Station Assets as Buyer may reasonably request. This Section shall survive the Closing, provided that Buyer shall reimburse Seller for any material, out-of-pocket costs incurred by Seller to comply with its obligations under this Section following the Closing.

5.8 **Representations and Warranties.** Sellers shall give detailed written notice to Buyer promptly upon learning of the occurrence of any event that would cause or constitute a breach, or that would have caused a breach had such event occurred or been known to Sellers prior to the Effective Date, of any of the representations or warranties contained in this Agreement. Sellers shall use reasonable efforts to promptly cure any such breach. Updates provided by Sellers to comply with the covenant in this Section will not have any impact on Buyer's conditions to Closing set forth in Article 8 or serve to limit Buyer's right to indemnification hereunder.

5.9 **Consummation of Agreement.** Sellers shall use all reasonable efforts to fulfill and perform all conditions and obligations on its part to be fulfilled and performed under this Agreement, and to cause the transactions contemplated by this Agreement to be fully carried out.

5.10 **Control.** Consistent with the Communications Laws, control, supervision, and direction of the operation of the Station prior to Closing shall remain the responsibility of Sellers as the holder of the FCC Authorizations.

ARTICLE 6 COVENANTS OF BUYER

Buyer covenants and agrees to Sellers solely in connection with the transaction contemplated herein that from the Effective Date until the completion of Closing:

6.1 **Representations and Warranties.** Buyer shall give detailed written notice to Sellers promptly upon learning of the occurrence of any event that would cause or constitute a breach, or would have caused a breach had such event occurred or been known to Buyer prior to the date hereof, of any of the representations and warranties of Buyer contained in this Agreement. Buyer shall use commercially reasonable efforts to cure any such breach. Updates provided by Buyer to comply with the covenant in this Section 6.1 will not have any impact on Sellers' conditions to Closing pursuant to Article 7 or serve to limit the right of Sellers to indemnification hereunder.

6.2 **Consummation of Agreement.** Buyer shall use all commercially reasonable efforts to fulfill and perform all conditions and obligations on its part to be fulfilled and performed under this Agreement, and to cause the transaction contemplated by this Agreement to be fully carried out.

ARTICLE 7 ADDITIONAL COVENANTS

7.1 **Confidentiality.** Except for information about the Stations and the Station Assets acquired by Buyer at or after Closing and except where such information is known through other lawful sources or where its disclosure is required in accordance with applicable law, including requirements of the FCC pursuant to the Assignment Application, Buyer and Sellers shall keep confidential all non-public information obtained by it with respect to the other Party or the Stations in connection with this Agreement and the Ancillary Agreements. If the transactions contemplated herein are not consummated for any reason, Buyer and Sellers shall return to each other or destroy, without retaining a copy thereof in any medium whatsoever, any schedules, documents or other written information, including all financial information, obtained from the other in connection with this Agreement and the Ancillary Agreements and the transactions contemplated hereby and thereby. In addition, Sellers shall keep confidential all non-public information regarding the operation of the Stations and the Station Assets.

7.2 **Public Announcements.**

(a) Prior to the Closing Date, no Party shall, without the approval of the other Parties hereto, make any press release or other public announcement concerning the transactions contemplated by this Agreement, except (i) to announce that the transactions have been entered into and (ii) as and to the extent that such Party shall be so obligated by law, in which case such Party shall give advance notice to the other Party and the Parties shall use their best efforts to cause a mutually agreeable release or announcement to be issued.

(b) Notwithstanding the foregoing, the Parties acknowledge that the Communications Laws require that local public notice of the transactions contemplated by this Agreement be made by Sellers after the Assignment Application has been filed with the FCC and that a copy of this Agreement shall be included as a material part of the Assignment Application, which will be made available for public inspection in the FCC's records. The form and substance of the required public notices, to the extent not dictated by the Communications Laws, shall be mutually agreed upon by Sellers and Buyer.

7.3 **Certain Tax Matters.**

(a) **Withholding Taxes.** The amounts payable by one party (the "Payer") to another Party (the "Payee") pursuant to this Agreement ("Payments") shall not be reduced on account of any taxes unless required by applicable law. The Payee alone shall be responsible for paying any and all taxes (other than withholding taxes required to be paid by the Payer) levied on account of, or measured in whole or in part by reference to, any Payments it receives. The Payer shall deduct or withhold from the Payments any taxes that it is required by applicable law to deduct or withhold. If, in accordance with the foregoing, the Payer withholds any amount, it shall make timely payment to the proper taxing authority of the withheld amount, and send to the Payee proof of such payment as soon as reasonably practicable. Within thirty (30) days after the date the Payee is eligible to apply any such withheld amounts to reduce a tax payment otherwise due (whether by credit, offset or other mechanism) or accepts a refund attributable to such

withheld amounts, the Payee shall pay the Payer the amount of such reduction or refund, plus the actual tax benefit realized resulting from such payment.

(b) Transfer Taxes and Apportioned Obligations.

(i) All amounts payable hereunder are exclusive of all recordation, transfer, documentary, excise, sales, value added, use, stamp, conveyance or other similar taxes imposed or levied by reason of, in connection with or attributable to this Agreement or the transactions contemplated hereby (collectively, “Transfer Taxes”). Buyer, on the one hand, and Sellers, on the other hand, shall be equally responsible for the payment of all Transfer Taxes, and shall pay all amounts due and owing in respect of any Transfer Taxes, these amounts in addition to the sums otherwise payable, at the rate in force at the due time for payment or such other time as is stipulated under applicable law.

(ii) All personal property and similar ad valorem obligations levied with respect to the Station Assets for a taxable period which includes (but does not end on) the Closing Date (collectively, the “Apportioned Obligations”) shall be apportioned between Sellers, on the one hand, and Buyer, on the other hand, based on the number of days of such taxable period ending on the day prior to the Closing Date (such portion of such taxable period, the “Pre-Closing Tax Period”) and the number of days of such taxable period on and after the Closing Date (such portion of such taxable period, the “Post-Closing Tax Period”). Sellers shall be liable for the proportionate amount of such Apportioned Obligations that is attributable to the Pre-Closing Tax Period, and Buyer shall be liable for the proportionate amount of such Apportioned Obligations that is attributable to the Post-Closing Tax Period.

(iii) Apportioned Obligations and Transfer Taxes shall be timely paid, and all applicable filings, reports and returns shall be filed, as provided by applicable law. To the extent that the paying Party has not received a credit pursuant to Section 1.4(c), the paying Party shall be entitled to reimbursement from the non-paying Party in accordance with Section 7.3(b)(i) or Section 7.3(b)(ii), as the case may be. Upon payment of any such Apportioned Obligation or Transfer Tax, the paying Party shall present a statement to the non-paying Party setting forth the amount of reimbursement to which the paying Party is entitled under Section 7.3(b)(i) or Section 7.3(b)(ii), as the case may be, together with such supporting evidence as is reasonably necessary to calculate the amount to be reimbursed. The non-paying Party shall make such reimbursement promptly but in no event later than ten (10) days after the presentation of such statement.

(c) Cooperation and Exchange of Information. Each of Sellers and Buyer shall (i) provide the other with such assistance as may reasonably be requested by the other (subject to reimbursement of reasonable out-of-pocket expenses) in connection with the preparation of any tax return, audit or other examination by any taxing authority or judicial or administrative proceeding relating to liability for taxes in connection with the Station or the Station Assets, (ii) retain and provide the other with any records or other information that may be relevant to such tax return, audit or examination, proceeding or determination and (iii) inform the other of any final determination of any such audit or examination, proceeding or determination that affects any amount required to be shown on any tax return of the other for any period.

(d) **Survival of Covenants.** The covenants contained in this Section 7.3 shall survive until 30 days after the expiration of the applicable statute of limitations (including extensions thereof).

7.4 **1031 Exchange.** Provided that such exchange shall in no event serve to delay or defer the Closing, Buyer or Sellers may conduct an I.R.S. Section 1031 like kind exchange from or into the assets that are the subject of this Agreement to the fullest extent permitted by law. Each Party agrees to cooperate with the other to execute such consents to assignment of this agreement as are reasonably necessary or helpful to conduct such exchange. The liabilities of the Parties under this Agreement will not be affected by this cooperation, and each party will be responsible for its own expenses incurred in connection with such exchange.

7.5 **Repack.**

(a) In connection with the Incentive Auction (as defined below) and in accordance with the Channel Reassignment PN (as defined below) and the Repacking Rules (as defined below), the Stations will be repacked and relocated to New Channels (the “Channel Relocation”) by October 18, 2019, and have the right to seek reimbursement of certain eligible relocation costs associated with the Channel Relocation from the TV Broadcaster Relocation Fund (the “FCC Reimbursement”).

(b) Details about the new channel assignment, technical parameters and assigned transition phase for the Channel Relocation are set forth in the Channel Reassignment PN and the confidential letter sent to each of the License Sellers by the FCC on April 13, 2017. The new channel assignment and technical parameters also are reflected in construction permits for specified post-repack facilities (i) for WLPD granted on June 21, 2017 (LMS File No. 0000025115), as may be modified by the pending application for modification of construction permit for expanded post-Repack facilities for WLPD filed on November 2, 2017 (LMS File No. 0000034861); and (ii) for WDVb granted on June 21, 2017 (LMS File No. 0000025114), as modified by the application for modification of construction permit for expanded post-Repack facilities for WDVb granted on December 5, 2017 (LMS File No. 0000034859) (collectively, the “Relocation Specifications”).

(c) Sellers shall be responsible for all Channel Relocation construction activities and compliance at its expense before Closing. Prior to Closing, Seller agrees to timely commence and diligently conduct the Channel Relocation consistent with the Relocation Specifications and in compliance with the Repacking Rules. To this end, Sellers will timely submit and diligently prosecute all filings associated with the Channel Relocation and the FCC Reimbursement, including periodic progress reports, the required quarterly filings on the progress of the Channel Relocation and any necessary request for special temporary authority. Sellers have established a FCC Reimbursement account and will timely seek FCC Reimbursement for all eligible expenses consistent with the Repacking Rules, including preparing cost estimates required therefore. Sellers shall be entitled to reimbursement for all Channel Relocation expenses it incurs, regardless of when such costs are incurred or when FCC Reimbursements for such expenses are received. Sellers agree that any funds advanced to Sellers from the TV Broadcaster Relocation Fund prior to Closing shall only be used for expenses or equipment associated with the Channel Relocation.

(d) If Sellers incur expenses with respect to the Channel Relocation that were approved by Buyer but are not reimbursed by the TV Broadcaster Relocation Fund, then Buyer shall reimburse Sellers for such amounts and such amounts shall be deemed Assumed Liabilities for purposes of this Agreement. In the event that Sellers have been advanced funds from the TV Broadcaster Relocation Fund prior to Closing but have not used any or all of such funds for the purposes described in this Section 7.5, Sellers agree that the unused funds will be treated as a deduction from the Purchase Price at Closing. Sellers further agree that any funds paid to Sellers from the TV Broadcaster Relocation Fund after Closing that are not for reimbursement of expenses incurred by Seller prior to Closing shall be for the benefit of Buyer, and Sellers will promptly (and in any event within five (5) business days following receipt) pay such funds to Buyer without deduction or set-off of any kind.

(e) Sellers shall conduct all pre-Closing Channel Relocation work in a manner consistent with the Relocation Specifications and good engineering standards, including adhering to all FCC or other governmental deadlines for the Channel Relocation and FCC Reimbursement. Sellers shall keep Buyer informed of Channel Relocation and FCC Reimbursement progress and provide Buyer with copies of all engineering reports, FCC Reimbursement requests and FCC filings with respect thereto. For the avoidance of doubt, however, Sellers shall not be obligated to undertake any particular activity, or incur any particular expense, in connection with a Station's Channel Relocation unless such activity or expense is necessary for compliance with the Repacking Rules.

(f) Buyer shall be responsible for Channel Relocation construction activities and compliance arising from and after Closing at its expense. Buyer shall be solely responsible for seeking FCC Reimbursement for eligible expenses incurred by Buyer after Closing and shall be entitled to the portion of the FCC Reimbursement attributable to eligible costs incurred by Buyer. To this end, Buyer will establish a new FCC Reimbursement account consistent with the Repacking Rules. If FCC Reimbursements are pending at Closing, then upon Closing, Buyer shall resubmit such requests on behalf of Seller, and upon receipt of payment from the FCC Buyer shall pay over to Seller the portion attributable to Seller's eligible expenses; provided, however, that (i) Buyer shall not be responsible for any FCC nonpayment unless resulting from an offset against a claim against Buyer, in which event Buyer shall pay Seller the amount Seller would have been entitled absent such offset and (ii) Seller shall be responsible for, and shall hold Buyer harmless from liability with respect to: (A) all certifications to the FCC and compliance with the Repacking Rules with respect to FCC reimbursement requests submitted by Buyer on Seller's behalf and (B) any obligation to repay the FCC for any FCC overpayment attributable to reimbursement requests made by or on behalf of Seller.

(g) This Section 7.5 shall survive Closing until the later of completion of all FCC filings related to the Repack and the date when the FCC discloses by public notice that no funds remain in the TV Broadcaster Relocation Fund.

(h) For purposes of this Agreement, the following terms shall have the following definitions:

(i) “Channel Reassignment PN” means the *Incentive Auction Closing and Reassignment Public Notice* issued by the FCC following the conclusion of the Incentive Auction on April 13, 2017.

(ii) “Incentive Auction” means the broadcast spectrum incentive auction mandated by Section 6403 of the Middle Class Tax Relief and Job Creation Act of 2012. (Pub. L. No. 112-96, § 6403, 126 Stat. 156, 225-230 (2012)).

(iii) “Repacking Rules” means the rules and procedures adopted by the FCC as part of the Incentive Auction which provide for the repacking and relocation of certain television broadcasters to alternative channel locations and reimbursement of certain eligible expenses from the TV Broadcaster Relocation Fund.

ARTICLE 11 SURVIVAL AND INDEMNITY

The rights and obligations of Buyer and Sellers under this Agreement shall be subject to the following terms and conditions:

11.1 **Survival of Covenants, Representations, and Warranties.** Except as stated below or otherwise contemplated in this Agreement, the covenants, representations, and warranties of Buyer and Sellers contained in this Agreement shall survive Closing for two (2) years following the Closing Date, provided, however, that the representations and warranties of Sellers set forth in Section 3.1 [*Organization and Authorization*], Section 3.13 [*Environmental Matters*], Section 3.11 [*Taxes*], Section 3.12 [*Accuracy of Representations and Statements*] and the first sentence of Section 3.17 [*Intellectual Property*], and the representations and warranties of Buyer set forth in Section 4.1 [*Organization*], Section 4.2 [*Authorization*] and Section 4.7 [*Accuracy of Representations and Statements*] (collectively, the “Fundamental Representations”) shall each survive the Closing indefinitely, or, if shorter, until sixty (60) days following expiration of the applicable statute of limitations (including all applicable periods of extension). Any obligation of a Party to indemnify any other person or entity entitled to indemnification under this Article 11 in respect of any breach of any covenant or agreement shall survive until the earlier of performance of the covenant or agreement and the applicable statute of limitations, except as otherwise specified herein. Except as stated below, neither Sellers nor Buyer shall have any liability whatsoever with respect to any covenant, representation, or warranty unless a claim is made hereunder or an action at law or in equity is commenced prior to expiration of the survival period for such representation or warranty. Notwithstanding the foregoing, a Party’s right to indemnification under this Article 11 shall continue to survive until the claim for indemnification has been satisfied or otherwise resolved as provided in this Article 11 if an Indemnification Certificate or Claim Notice (each as defined below) with respect to such claim shall have been given prior to the expiration of the applicable survival period under this Section 11.1.

11.2 **General Agreement to Indemnify.**

(a) Sellers on the one hand, and Buyer on the other hand, shall indemnify, defend and hold harmless each other and any employee, representative, agent, director, officer, affiliate or permitted assign of each other (each, an “Indemnified Party”) from and against and reimburse and compensate the Indemnified Parties for, any and all claims, actions, suits, proceedings, liabilities, obligations, losses and damages, amounts paid in settlement, diminution of value, interest, costs and expenses (including reasonable attorneys’ fees, court costs and other out-of-pocket expenses incurred in investigating, preparing or defending the foregoing) (collectively, “Losses”) asserted against, incurred or suffered by any Indemnified Party as a result of, arising out of, or relating to: (i) the failure of any representation or warranty of the Indemnifying Party made in the Agreement to have been true and correct when made or as of the Closing Date as though such representation or warranty were made at and as of the Closing Date, (ii) the breach or nonfulfillment by the Indemnifying Party of any covenant or agreement of such

Party contained in this Agreement or the Ancillary Agreements or any collateral agreement to the extent not waived by the other Party hereto or (iii) the Transfer Taxes and Apportioned Obligations allocated to such Party pursuant to Section 7.3. The term “Losses” is expressly limited to such Party’s actual out-of-pocket costs and expenses and does not and shall not include consequential or punitive damages unless paid in satisfaction of a Third Party Claim. Purchase Price Adjustments made pursuant to Section 1.4(c) of this Agreement shall not be included in any calculation of Party’s total “Losses” for purposes of meeting the Loss threshold provided in Section 11.4.

(b) Sellers further agree to indemnify and hold harmless Buyer and any other Indemnified Party of Buyer from and against any Losses asserted against, incurred or suffered by Buyer or any other Indemnified Party of Buyer arising out of, resulting from, or relating to (i) the operation of the Stations and ownership of the Station Assets prior to Closing and (ii) the Excluded Assets.

(c) Buyer further agrees to indemnify and hold harmless Sellers and any other Indemnified Party of Sellers from and against any Losses asserted against, incurred or suffered by Sellers or any other Indemnified Party of Sellers arising out of, resulting from, or relating to the Assumed Liabilities after Closing.

11.3

General Procedures for Indemnification.

(a) The Indemnified Party seeking indemnification under this Agreement shall promptly notify in writing the Party or Parties from whom indemnification is sought (the “Indemnifying Party”) of the assertion and basis of any claim, or the commencement and basis of any action, suit or proceeding by any third party in respect of which indemnity may be sought hereunder (a “Third Party Claim”) and will give the Indemnifying Party such information with respect thereto as the Indemnifying Party may reasonably request, *provided* that failure to give such notice shall not relieve the Indemnifying Party of any liability hereunder (except to the extent that the Indemnifying Party has suffered material prejudice by such failure). The Indemnifying Party shall have the right, but not the obligation, exercisable by written notice to the Indemnified Party within thirty (30) days of receipt of notice from the Indemnified Party of the commencement of a Third Party Claim, to assume the defense and control the settlement of such Third Party Claim that involves (and continues to involve) solely money damages; *provided, however*, that prior to assuming any claim defense, the Indemnifying Party must show the Indemnified Party that they have the financial ability to pay out any potential monetary claim before they are allowed to assume its defense. Failure by the Indemnifying Party to so notify the Indemnified Party shall be deemed a waiver by the Indemnifying Party of its right to assume the defense of such claim. The Indemnifying Party shall not be entitled to undertake the defense or opposition of a Third Party Claim if (i) such Third Party Claim seeks injunctive or other equitable relief from the Indemnified Party, (ii) such Third Party Claim has been brought by or on behalf of any governmental authority or in connection with taxes or any criminal or regulatory enforcement action, or (iii) such Third Party Claim is reasonably likely to result in a regulatory enforcement action by a governmental authority against the Indemnified Party. In the event the Indemnifying Party undertakes the defense or opposition to a Third Party Claim, the Indemnifying Party shall diligently defend or oppose such Third Party Claim and the attorneys’ fees, other professionals’ and experts’ fees and court or arbitration costs incurred by the

Indemnifying Party in connection with defending or opposing such Third Party Claim shall be payable by such Indemnifying Party. In the event that the Indemnifying Party does not undertake such defense or opposition in a timely manner, the Indemnified Party may undertake the defense, opposition, compromise, or settlement of such Third Party Claim with counsel selected by it at the Indemnifying Party's cost.

(b) Whether or not the Indemnifying Party chooses to defend or prosecute any Third Party Claim, the Parties hereto shall cooperate in the defense or prosecution thereof, shall furnish such records, information and testimony, and attend such conferences, discovery proceedings, hearings, trials and appeals, as may be reasonably requested in connection therewith, and shall keep the other Party reasonably advised of the status of such Third Party Claim and the defense, opposition, compromise or settlement thereof. Neither Party will be required to furnish any such information which would (in the reasonable judgment of such Party upon advice of counsel) be reasonably likely to (1) waive any privileges, including the attorney-client privilege, held by such party or any of its affiliates or (2) breach any duty of confidentiality owed to any third party (whether such duty arises contractually, statutorily or otherwise) or any contract with any third party or violate any applicable law (provided, that such Party shall use reasonable best efforts to obtain any required consents and take such other reasonable action (such as the entry into a joint defense agreement or other arrangement to avoid loss of attorney-client privilege) to permit such access).

(c) The Indemnifying Party or the Indemnified Party, as the case may be, shall have the right to participate in (but not control), at its own expense, the defense of any Third Party Claim that the other is defending, as provided in this Agreement.

(d) The Indemnifying Party, if it has assumed the defense of any Third Party Claim as provided in this Agreement, shall not consent to, or enter into, any compromise or settlement of, or consent to the entry of any judgment arising from, any such Third Party Claim (which compromise, settlement, or judgment (i) commits the Indemnified Party to take, or to forbear to take, any action, (ii) includes any remedy other than the payment of money, or (iii) does not provide for a complete release by such third party of the Indemnified Party) without the Indemnified Party's prior written consent. If the conditions set forth in this Section 11.3(d) are met but the Indemnified Party refuses to settle any Third Party Claim, the Indemnifying Party may tender the settlement amount and be relieved of further liability.

(e) The Indemnifying Party shall not be entitled to require that any action be brought against any other person before action is brought against it hereunder by the Indemnified Party, but shall be subrogated to any right of action to the extent that it has paid or successfully defended against any Third Party Claim.

(f) In the event that the Indemnifying Party agrees to or is determined to have an obligation to reimburse the Indemnified Party for Losses as provided in this Article 11, the Indemnifying Party shall promptly (but, in any event, within thirty (30) days) pay such amount to the Indemnified Party by wire transfer of immediately available funds to the account specified in writing by the Indemnified Party.

11.4 **Limitations.** Neither Party shall be required to indemnify the other Party under this Article 11 unless (a) written notice of a claim under this Article 11 was received by an Indemnifying Party within two (2) years following Closing related to the Indemnified Party, provided, however, with respect to claims made under Fundamental Representations, such claim may be made at any time or, if shorter, until sixty (60) days following expiration of the applicable statute of limitations (including all applicable periods of extension) and (b) the aggregate claim for Losses exceeds Twenty Five Thousand Dollars (\$25,000), after which the Indemnified Party shall be entitled to recover only such portion of the Losses that exceed such amount. In calculating the amount of Losses to Buyer or Sellers under Section 11.2 above, such Losses shall be reduced by any recovery from any third party (including insurance proceeds) as a result of the facts or circumstances giving rise to the Losses. The limitations set forth in this Section shall not apply to Third Party Claims against a Party entitled to indemnification under Sections 11.2(b) or 11.2(c).

11.5 **Exclusive Remedy.** Following Closing, the right to indemnification, defense, hold harmless, payment or reimbursement provided in this Article 11 will be the exclusive remedy of any Party with respect to any matter arising under or relating to this Agreement or the Ancillary Agreements or any of the transactions contemplated hereby or thereby; provided, however, that injunctive relief may be had for violations of the agreements set forth in Section 7.1. This Section 11.5 shall not affect either Party's ability to exercise any rights or remedies available to such party under any Ancillary Agreement with respect to Ancillary Agreements which have remedies that are not addressed specifically in this Agreement.

ARTICLE 12 TERMINATION

12.1 **Termination.** This Agreement may be terminated at any time by Buyer or by Sellers prior to Closing, as set forth below:

- (a) by the mutual written consent of Buyer and Sellers;
- (b) by written notice from Sellers to Buyer if Buyer (i) breaches in any material respect any of Buyer's representations or warranties contained in this Agreement; or (ii) defaults in any material respect in the performance of any of Buyer's covenants or agreements under this Agreement; and in any of which events (i) or (ii) such breach or default is not cured in all material respects by Buyer within the Cure Period (as defined below), if applicable;
- (c) by written notice of Buyer to Sellers if Sellers (i) breach in any material respect any of Sellers' representations or warranties; or (ii) default in any material respect in the performance of any of Sellers' covenants or agreements under this Agreement; and in any of which events (i) or (ii) such breach or default is not cured in all material respects by Sellers within the Cure Period, if applicable;
- (d) by written notice of Buyer to Sellers, or Sellers to Buyer, if the FCC Consent related to the Assignment Application has not been granted within twelve (12) months of the filing date for the Assignment Application if no petition to deny or informal objection is filed against the Assignment Application and eighteen (18) months if a petition to deny or informal objection is filed against the Assignment Application;

(e) by written notice of Sellers to Buyer, or Buyer to Sellers (i) if Closing has not been consummated by the date that is one (1) year following the date on which the Assignment Application is filed with the FCC; (ii) if, for any reason, the FCC denies or dismisses the Assignment Application and the time for reconsideration or court review under the Communications Laws with respect to such denial or dismissal has expired and there is not then pending with respect thereto a timely filed petition for reconsideration or request for review; or (iii) if, for any reason, the Assignment Application is designated for an evidentiary hearing, *provided, however*, that the right to terminate this Agreement under this subsection shall not be available to any Party whose breach of this Agreement has been the cause of, or resulted in, the failure of Closing to occur on or before such date; and

(f) by written notice of Buyer to Sellers if either of the Stations does (y) not operate for a period of thirty (30) consecutive days or more without FCC consent or (z) not operate with its full, FCC-licensed facilities for a period of ninety (90) consecutive days between the Effective Date and Closing.

12.2 **Cure Period.** The term “Cure Period” as used herein means a period commencing with the date that Buyer or Sellers receives from the other Party written notice of breach or default hereunder and continuing until fifteen (15) days thereafter; *provided, however*, that if the breach or default cannot reasonably be cured within such period but can be cured before the Closing Date, and if diligent efforts to cure promptly commence, then the Cure Period shall continue as long as such diligent efforts to cure continue, but not beyond the Closing Date. Except as set forth below, the termination of this Agreement with respect to the transaction contemplated hereunder shall not relieve the Buyer or Sellers of any liability for breach or default under this Agreement prior to the date of such termination.

12.3 **Liability; Right to Terminate.** A termination of this Agreement shall not relieve any Party hereto of any liability for which it otherwise would be subject. Notwithstanding anything in this Agreement to the contrary, no Party that is in material breach of this Agreement shall be entitled to terminate this Agreement except with the written consent of the other Party.

12.4 **Reimbursement of Certain Expenses.** In recognition of the costs related to continued operation of the Stations in the event that the transactions contemplated by this Agreement do not promptly proceed to Closing, Buyer and Sellers agree to take those actions set forth in Schedule 12.4 hereto.

ARTICLE 13 MISCELLANEOUS

13.1 **Governing Law** The construction and interpretation of this Agreement shall at all times and in all respects be governed by the laws of the State of Delaware (exclusive of those relating to conflicts of laws). Any action at law, suit in equity or judicial proceeding (other than appeals therefrom) arising directly, indirectly, or otherwise in connection with, out of, related to or from this Agreement, or any provision hereof, shall be litigated only in the federal or state courts of the State of Delaware. The Parties hereby consent to the personal and subject matter jurisdiction of such courts and waive any right to transfer or change the venue of any litigation between them (other than appeals therefrom).

13.2 **Expenses.** Each Party hereto shall bear all of its expenses incurred in connection with the transaction contemplated by this Agreement, including without limitation, accounting, engineering and legal fees incurred in connection herewith; *provided, however*, that Sellers, on the one hand, and Buyer, on the other hand, shall share equally all filing fees, including but not limited to FCC filing fees required to be paid in connection with the Assignment Application as set forth in Section 2.1(a).

13.3 **Entire Agreement; Amendment; No Waiver.** This Agreement, including the schedules and exhibits hereto, contain the entire agreement and understanding by and between the Parties, and no other representations, promises, agreements, or understanding, written or oral, not contained herein shall be of any force or effect. This Agreement may only be amended in a writing signed by all of the Parties. No oral agreement shall have any effect. No failure or delay in exercising any right hereunder shall be deemed or construed to be a waiver of such right, either prospectively or in the particular instance. This Agreement has been prepared by all of the Parties hereto, and no inference of ambiguity against the drafter of a document therefore applies against any Party hereto.

13.4 **Successors and Assigns.** Except as otherwise expressly provided herein, this Agreement shall be binding upon and inure to the benefit of the Parties hereto, and their respective representatives, successors and assigns. Sellers may not assign this Agreement or any part hereof without the prior written consent of Buyer in Buyer's sole discretion and any attempted assignment without such consent shall be void. Buyer may not assign this Agreement or any part hereof without the prior written consent of Sellers, which consent shall not be withheld unreasonably, *provided, however*, that Buyer may assign its rights or obligations under this Agreement without Sellers' consent in whole or in part to a company controlled by Buyer and *provided further*, that pursuant to Section 7.4, either Party may assign its right to payment or property under this Agreement for purposes of a 1031 exchange.

13.5 **Notices.** All notices, requests, demands and other communications required or permitted under this Agreement shall be in writing to the persons and at the addresses set forth below, and shall be deemed to have been duly made and received when personally served, when delivered by Federal Express or a similar overnight courier service, expenses prepaid, or, if sent by electronic mail, when acknowledgement of receipt is sent:

13.6 **Partial Invalidity.** Wherever possible, each provision hereof shall be interpreted in such manner as to be effective and valid under applicable law, but in case any provision contained herein, or its application to any particular circumstance shall, for any reason, be held to be invalid or unenforceable by a court of competent jurisdiction, such provision or such application shall be ineffective to the extent of such invalidity or unenforceability in such jurisdiction, without invalidating the remainder of such provision or any other provisions hereof, or its application in any other circumstance, unless such a construction would be unreasonable, and without invalidating such provision or its application in any other jurisdiction.

13.7 **Headings.** The headings in this Agreement are for reference only and shall not affect the interpretation of this Agreement.

13.8 **No Third Party Beneficiary.** Nothing in this Agreement expressed or implied is intended or shall be construed to give any rights to any person or entity other than the parties hereto, their respective successors and permitted assigns and the Indemnified Parties (to the extent of their respective rights under Article 11).

13.9 **Interpretation.** For purposes of this Agreement, (a) the words “include,” “includes” and “including” shall be deemed to be followed by the words “without limitation”; (b) except where the context otherwise requires, (i) the word “or” is not exclusive, (ii) wherever used, the singular includes the plural, and the plural the singular, and (iii) “extent” in the phrase “to the extent” means the degree to which a subject or other thing extends, and such phrase does not mean simply “if”; and (c) the words “herein,” “hereof,” “hereby,” “hereto” and “hereunder” refer to this Agreement as a whole. Unless the context otherwise requires,

references herein: (x) to Articles, Sections, Schedules and Exhibits mean the Articles and Sections of, and Schedules and Exhibits attached to, this Agreement; (y) to an agreement, instrument or other document means such agreement, instrument or other document as amended, supplemented and modified from time to time to the extent permitted by the provisions thereof and (z) to a statute means such statute as amended from time to time and includes any successor legislation thereto and any regulations promulgated thereunder. This Agreement shall be construed without regard to any presumption or rule requiring construction or interpretation against the party drafting an instrument or causing any instrument to be drafted. The Schedules and Exhibits referred to herein shall be construed with, and as an integral part of, this Agreement to the same extent as if they were set forth verbatim herein. References in this Agreement to monetary amounts are denominated in United States Dollars.

13.10 **Execution in Counterparts.** This Agreement may be executed by facsimile or email transmission and in counterparts, each of which shall constitute an original but together will constitute a single document.

13.11 **Actions Pursuant to CSAs.** Notwithstanding anything to the contrary contained in this Agreement, neither Party shall be deemed to have breached any of its representations, warranties, covenants, or agreements contained herein or to have failed to satisfy any condition precedent to the other Party's obligation to perform under this Agreement (nor shall a Party have any indemnification or other liability or responsibility to the other Party in respect of any such representations, warranties, covenants, agreements, or conditions precedent), in each case to the extent that the inaccuracy of any such representation, the breach of any such warranty, covenant, or agreement, or the inability to satisfy any such condition precedent is principally caused by (i) any actions taken by or under the control of the other Party or its affiliates (or any of their respective officers, directors, employees, agents, or representatives) in connection with that other Party's performance of its obligations under the CSAs or (ii) the failure of that other Party to perform or discharge any of its Obligations as required by the CSAs. Notwithstanding anything to the contrary in this Agreement, neither Party shall have any indemnification or other liability or responsibility to the other Party in respect of any obligations or liabilities assumed by the other Party under the CSAs or arising out of or caused by the other Party's actions in connection with the CSAs or failure to perform its obligations as required by the CSAs unless, and solely to the extent, caused by the indemnifying or liable Party's negligence, intentional misconduct, or breach of the CSAs.
