

I Matt Tuter am a member of the Board of Directors for Calvary Chapel Hayward. I am also an applicant since the 2004 AM filing window for new AM stations in:

Lovelock NV 1490 kHz - BNP-20040128AQF - Facility ID # 160427
Alturas CA 1340 kHz - BNP-20040127ANO - Facility ID # 160423

I am listed in the current LPFM application as a Board Member with a **0% of the vote**. I will not exercise licensee control of the station in the event of a grant to Calvary Chapel Hayward as long as any conflicts exist.

Should the Commission or it's staff find it necessary I will resign my position as a Board Member of the church's corporation, so that Calvary Chapel Hayward will receive the point for "Diversity of ownership" Section III question 5 of the point system.
