The construction permit for W224CS, Fac. Id. 141998, expires on December 6, 2016. The construction permits for W242CB, Fac. Id. 142029 and W298BI, Fac. Id. 142034 expire on April 24, 2016. Commission rules, which became effective on February 16, 1999, have a bearing on these construction permits. See Streamlining of Mass Media Applications, Report and Order, MM Docket No. 98-43, 13 FCC Rcd 23056 (1999). Pursuant to these rules, consummation of the assignment consented to herein will not extend the expiration dates of the permits. These construction permits will be subject to automatic forfeiture unless construction is complete and applications for license to cover are filed prior to expiration.

The FM Translator Licensee must notify the Federal Communications Commission, Office of the Secretary, 445 12th Street, S.W., Washington, DC 20554 of any change in the station that will be rebroadcast. The parties should also notify Robert Gates via email at Robert.Gates@fcc.gov. See 47 C.F.R. §74.1284.

Under authority of the Communications Act of 1934, as amended, the consent of the Federal Communications Commission is hereby granted to the transaction indicated above.

The Commission's consent to the above is based on the representations made by the applicants that the statements contained in, or made in connection with, the application are true and that the undertakings of the parties upon which this transaction is authorized will be carried out in good faith.

The actual consummation of voluntary transactions shall be completed within 90 days from the date hereof, and notice in letter form thereof shall promptly be furnished to the Commission by the seller or buyer showing the date the acts necessary to effect the transaction were completed. Upon furnishing the Commission with such written notice, this transaction will be considered completed for all purposes related to the above described station(s).

FCC Form 323, Ownership Report, must be filed within 30 days after consummation, by the licensee/permittee or assignee.

ADDITIONAL REQUIREMENTS FOR ASSIGNMENTS ONLY:

Upon consummation the assignor must deliver the permit/license, including any modifications thereof to the assignee.

It is hereby directed that, upon consummation, a copy of this consent be posted with the station authorization(s) as required by the Commission's Rules and Regulations.

The assignee is not authorized to construct nor operate said station(s) unless and until notification of consummation in letter form has been forwarded to the Commission.
